BSA A7 - A10 'Service Sheets' 1947-1962 for All Rigid, Spring Frame and Swing Arm Group 'a' Motorcycles

Floyd Clymer, 2021-07-05 196 pages and more than 250 illustrations and charts size 8 25 x 10 75 inches In 1945 after the war had ended BSA resumed production of their civilian line of motorcycles However they continued their pre war practice of publishing repair overhaul and technical information in the form of individual Service Sheets These sheets were dealer only publications and as such the print quality was at times somewhat questionable It was not until the early 1960 s that BSA eventually started publishing model specific workshop manuals that were available to the general public Consequently these Service Sheets were the only publications available for the maintenance and repair of BSA models that were manufactured through the early 1960 s At some point in the 1930 s BSA adopted the practice of identifying their various model types by groups and the models manufactured from 1945 through the early 1960 s were in Groups A B C D and M The service sheets that were associated to a particular group were identified numerically and while there were some exceptions due to overlapping data between models in general terms the numbers relate to a particular model group They are as follows The 200 series of service sheets were applicable to Group A models the 300 series to Group B the 400 series to Group C the 500 series to Group D and the 600 series to Group M In addition there were a 700 series applicable to mechanical maintenance and an 800 series for electronic service and wiring diagrams Both the 700 and 800 series of service sheets contained information that was not model specific but was applicable across multiple model groups Unfortunately as these service sheets were issued individually and at random times the numbering sequence within any group is not necessarily consecutive and at times illogical Consequently assembling those individual sheets into a publication that serves as a model specific workshop manual is a somewhat difficult task and owners of BSA motorcycles are subjected to considerable confusion surrounding the appropriate selection from the multitude of reprints that have recently flooded the on line marketplace Many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years of motorcycles The most complete compilation of the 1945 and onwards service sheets was issued by BSA in the form of a dealer only ring binder that contained

all of the individual service sheets totaling to almost 500 pages This manual is a compilation of the service sheets that were collated and published by BSA in the late 1950 s and early 1960 s under part numbers 00 4017 pre swing arm and 00 4047 swing arm which excluding duplicates consisted of 44 service sheets in total However an additional 14 sheets from the ring bound dealer only publication have been added to produce a single manual containing 58 service sheets 190 pages that cover the entire range of pre unit A7 and A10 models from 1947 to 1962 Please note that service sheets in the 300 700 and 800 series that are included in this publication will also include data that is applicable to other model groups as that was the original intention For additional information the reader is directed to The Book of the BSA Twins 650cc 500cc 1948 1962 ISBN 9781588500977      *Suzuki GP100 & 125 Owners Workshop Manual* Chris Rogers,Pete Shoemark,1991-01-01      *Jawa Workshop Manual, 250 Ccm and 350 Ccm* Jawa Service Department,1960      **Twist & Go (automatic Transmission) Scooters Service and Repair Manual** Phil Mather,2007 Models covered Aprilia Leonardo 125 Rally 50 Sonic FT and GP SR50 Gilera Ice 50 Runner 50 Runner FX125 Runner VX125 SKP50 Stalker Honda FES125 Pantheon FES250 Foresight NES125 125 SFX50 SGX50 Sky SH50 SH125 SZX50 X8R S and X8R X Malaguti F12 Phantom air cooled F12 Phantom liquid cooled F12 Phantom Spectrum F15 Firefox Madison 125 and 150 MBK Doodo 125 Mach G 50 Nitro 50 Nitro 100 Ovetto 100 Rocket Skyliner 125 Stunt 50 Thunder 125 Peugeot Elyseo 50 Elyseo 100 Elyseo 125 Looxor 50 Looxor 100 Looxor 125 and 150 Speedfight 50 Speedfight 2 50 liquid cooled Speedfight and Speedfight 2 100 Trekker 50 Trekker 100 Vivacity 50 Vivacity 100 Zenith Piaggio B125 Beverly Hexagon 125 Super Hexagon 125 Super Hexagon 180 Liberty 125 NRG 50 Skipper Skipper ST125 Typhoon 50 and 80 Typhoon 125 X9 125 Zip 50 Zip SP Zip 125 Suzuki AN125 AP50 AY50 UH125 Burgman Sym DD50 City Trek Jet 50 and 100 Shark 50 Super Fancy and City Hopper Vespa ET2 50 4T ET2 50 ET4 125 GT 125 GT 200 Yamaha CS50 JogR CW BW EW50 Slider XN125 Teo s XQ125 Maxster YN50 Neo s YN100 Neo s YP125 Majesty YP250 Majesty YQ50 Aerox YQ100 Aerox      **Vespa P/PX 125, 150 & 200** Haynes Publishing,Pete Shoemark,1995 This Vespa owner s manual illustrated with photographs and line drawings provides comprehensive advice on routine maintenance and fault diagnosis using common tools      *Suzuki GT, ZR & TS50* Jeremy Churchill,1984
