The Essential Wayne Dyer Collection Dr. Wayne W. Dyer, 2013-09-24

The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume. *The Power of Intention* details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. *Inspiration* dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life, all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. *Excuses Begone* reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending ever.

The Essential Wayne Dyer Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible.

Getting in the Gap Dr. Wayne W. Dyer, 2021-08-10

Why Meditate? The practice of meditation takes us on a fabulous journey into the gap between our thoughts where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available, but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government, entity, or religious group can legitimately claim to do this for you. In fact, says Dr. Dyer, I agree with Carl Jung who said that one of the main functions of formalized religion is to protect people against a direct experience of God. Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download. When you

master getting into the gap stay there for prolonged segments of meditation and experience what you bring back into the world you'll truly know the answer to the question Why meditate You Are What You Think Dr. Wayne W.
