personal essays by bisexual men and those who love them explores what it means to be bisexual in today's monosexually oriented society. The millennial shift in sexual perspectives draws more and more men to come out as being attracted to both women and men. Bisexual and bi-curious men will find comfort and camaraderie in these stories about coming out, its impact on family and marriage, evolving perspectives on bisexuals within the LGBT community, and the building of acceptance and affirmation for bisexuality and polyamory. The nearly three dozen essays in *Bi Men Coming Out Every Which Way* are told in the honest words of bisexuals confirming the validity of their place in the world while illustrating that there are more bi-men than anyone ever realized. These diverse and pioneering men's stories reveal a long disguised and unconventional truth that bisexuality is a valid lifestyle that does not threaten either sexual camp. Each contributor to this collection affirms the innate fluidity of self, sexuality, family, and community and proclaims that sexuality is truly diverse in its predispositions and creativity. *Bi Men Coming Out Every Which Way* separates its essays into four parts: coming out and personal realization of bisexual nature; bisexuality's effects on family and marriage; an examination of the shifting viewpoints of bisexuality within gay communities; ways in which bisexuals can affirm and respect their own desires and celebrate their sexual selves. These intimate stories address biphobia, monosexual prejudice, the impact on marriage, family issues, coming out to self, spouse, and family, political and community issues, religious and spiritual concerns. *Bi Men Coming Out Every Which Way* is a vibrant, reassuring call to bisexuals, the bi-curious, or anybody who knows and loves a bisexual, bi-curious man to read and more completely understand the unique issues of being bisexual while providing the ultimate affirmation of bisexuality's existence.

DRAGON HUNT BRIANNA CORINNE, 2014-07-31 Twelve years after the near destruction of their beloved kingdom of Taaden, five students of the Crimson Academy are called to the daunting task of being apprentices of the Legendary Dragon Lord when their kingdom stands in desperate need of a hero. For horseracing champion and top grade student Shoki Litaria, a call to the apprenticeship seemed like just another honor to add to her list. But when faced with the challenge of mastering the dragon god of flames, Fire, she questions her abilities and her training and even wonders if she'll make it through the mission alive. Can she master Fire as her grandmother before her? As his apprentice, Shoki Litaria endeavors to master Fire, the ageless Dragon Lord, the last surviving member of the Draco clan, formulates his secret plan of revenge on the kingdom of Taaden. When his first assault on Taaden failed twelve years ago, the Dragon Lord decided to attempt his attacks again with the very grandchildren of his first apprentices.

The Legend of the Wizard's Apprentice Mike Ezekiel, 2015-09-17 Well my boy Kerwyn, it looks like you've done it to yourself again. A tall, lanky human male with unkempt brown hair and loose fitting clothing of blue and green robes was huddled on the floor, covered in a sticky mess of magical webbing that had gone terribly wrong. Master Sernett looked at Kerwyn in his strange, troubled eyes. One eye was as black as the darkest night and the other so radiant blue that one would think it was glowing with its own inner light. Master Sernett shook his head and wondered what he was going to do with the lad. He knew Kerwyn had the inner ability to do magic, but the boy had no focus.

In fact he could sense the greatest amount of the One Power in him that he had ever sensed in anyone Sometimes it was so powerful that Master Sernett wondered if the old legends were in fact true One day the greatest wizard would return to battle the Evil Master The world would finally be rid of the Black Tower and the evil creatures that lived inside Master Sernett shook his head and chuckled to himself thinking that if this seventeen year old boy lying before him covered in sticky magical webbing was the all mighty wizard reborn then this world was done for and the evil would surely be victorious this time
