Approaches To Gender And Spoken Classroom Discourse:

Approaches to Gender and Spoken Classroom Discourse Helen Sauntson, 2015-12-11 Gender is a hotly debated topic in the field of education. The role that language plays in educational contexts, especially in the classroom, has long been acknowledged. Innovatively combining approaches in the analysis of classroom discourse, this book offers rich empirical findings as well as being theoretically interesting and valuable. *Linguistic Perspectives on Sexuality in Education* Łukasz Pakuła, 2021-03-23 This book brings together leading academics and practitioners working in the area of language, gender, sexuality and education, consolidating recent developments and moving the field forward in a contemporary context. This unique and timely volume captures current themes, debates, theories and methods in the field and will be of interest to scholars and practitioners working around the world in the areas of Applied Linguistics, Teaching English as a Foreign Language, Education, Sociology and Discourse Studies. *Language, Crime and Courts in Contemporary Africa and Beyond* Russell H. Kaschula, Monwabisi K. Ralarala, Georgina Heydon, 2023-09-08 The research represented in this volume and in the series as a whole is intended to provide critical analyses and findings that can underpin the development of language policies, practice guides and other resources that support a fair and accessible legal system. However, this will also require well-developed teaching and research programmes so it is our intention that this volume will continue to support the growth of forensic linguistics in Southern African universities and nurture the next generation of scholars dedicated to forensic and legal linguistics. This aim will be supported by the newly formed African Association of Forensic and Legal Linguists (AAFL) which will help to coordinate the study of forensic linguistics in Africa. This book series, *Studies in Forensic and Legal Linguistics in Africa and Beyond*, Volumes I, II, III and IV, continues to play an important role in bringing African forensic linguistic scholarship to a wider audience while simultaneously promoting the field amongst academic and legal institutions in Africa. *Language, Sexuality and Education* Helen Sauntson, 2018-03-15 A path-breaking study of the role played by language in constructing sexual identities in schools. It will be of keen interest to a wide audience of educational practitioners and academics in the fields of applied linguistics, gender studies and English language and linguistics. **BASA 2019** Prasetyo Adi Wisnu Wibowo, Suwardi Endraswara, Teguh Supriyanto, Kundharu Saddhono, Pardi, 2020-06-18 This proceeding contains selected papers of The International Seminar On Recent Language Literature And Local Culture Studies (Kajian Mutakhir Bahasa Sastra Dan Budaya Daerah BASA) held on 20-21 September 2019 in Solo, Indonesia. The conference, which was organized by Sastra Daerah Faculty of Cultural Sciences Universitas Sebelas Maret and Culture Studies Postgraduate Program of Universitas Sebelas Maret, accommodates topics for linguistics in general, including issues in language, literature, local cultural studies, philology, folklore, oral literature, history, art, education, etc. Selecting and reviewing process for the The International Seminar On Recent Language Literature And Local Culture Studies (Kajian Mutakhir Bahasa Sastra dan Budaya Daerah) was very challenging in that it needs a goodwill of those who were involved in such a process.

More than ten experts were invited in reviewing giving suggestions for revision and at last selecting the papers. On that account we would like to forward our appreciation and our gratefulness to such invited experts for having done the process. The committee received more than 180 papers from the participants and based on the results of the review only 141 papers were declared fit to be presented at the seminar and subsequently published in the proceedings of BASA 3 2019. Papers in the proceeding are expected to give academic benefits especially in broadening the horizon of our understanding in language literature and local culture studies. We realize that what we are presenting for the publication is till far for being perfect. Constructive criticism is very much welcome for improvement. Finally the committees thank for the participation and congratulate for the publication of the papers in the proceedings of BASA 3 2019. The committees also thank all those who have supported and actively participated for the success of this event. Hopefully these Proceedings can be used as references in developing technology and improving learning activities in the fields of education social arts and humanities.

Critical Thinking for Professional and Language Education K. Venkat Reddy, G. Suvama Lakshmi, 2024-09-03 This book is the result of a collaboration between a human editor and an artificial intelligence algorithm to create a machine generated literature overview of research articles analyzing importance of critical thinking in Educational Settings. It is a new publication format in which state of the art computer algorithms are applied to select the most relevant articles published in Springer Nature journals and create machine generated literature reviews by arranging the selected articles in a topical order and creating short summaries of these articles. This book is a comprehensive guide to critical thinking research in education. It explores different definitions of critical thinking and its importance in specialized fields like business engineering and science. Presenting research on assessment this resource delves into the integration of ICT tools for teaching critical thinking. With practical tools strategies and tasks to develop critical thinking skills this book is intended for researchers educators and those seeking to improve their critical thinking abilities.
