## People in Business

### Managing Organisational Structures

#### Business Structures

**hierarchy:** A system of levels in a business where each level has responsibility for and authority over the levels below

##### •Tall Structures:

- lots of levels
- Narrow spans of control (few people to control)
- Messages take a long time to get from one end to another

##### •Flat Structures:

- wide spans of control (more people to control)
- People are given more responsibility
- Less hierarchical implications
- Employees can get frustrated with structure

**span of control:** The number of people who report directly to a manager

• narrow span of control = few people to look after = MORE control and structure

• wide span of control = lots of subordinates to look after

**Advantages and Disadvantages of a narrow span of control:**

| Advantages                                     | Disadvantages                          |
|------------------------------------------------|----------------------------------------|
| • allows clear responsibility and organisation | • too few, may limit your organisation |
| • clear, important communications              | • lots of communication will be needed |
| • may lead to more promotion opportunities     | • restricted scope for promotion       |

#### Delegation

• this is the passing of authority down the hierarchy of a business

##### **Benefits of delegation:**

- can motivate staff
- makes it easier to the future by identify staff with the qualities needed for promotion
- allows the boss the opportunity to spend time planning and thinking, rather than doing
