**Decolonizing Science and Modernity in South Asia** Sahara Ahmed, Suvabrata Sarkar, 2024-09-19 This book offers a unique perspective on the colonial roots of modern science technology and medicine STM in South Asia The book questions

the deconstruction of imperial visions and definitions of science and modernity in South Asia It presents an in depth analysis of the contested relationship between science modernity and colonialism It explores how new research can contribute to the diversification of perspectives in the history and sociology of modern South Asian studies The chapters in the book delve into various aspects of STM in South Asia It covers diverse topics including the social cultural and pedagogic context of early modern Bengal the popularization of science in colonial Punjab the Hindi science periodical Vigyan and the emergence of the Indian science community The book also examines the intersection of indigenous medical practices ayurveda Unani and medical revivalism and highlights peripheral creativity in science The contributors engage with the existing historiography to raise new questions concerning the global circulations of scientific knowledge from the perspective of South Asia and the regional appropriation of the same It connects the history of science and modernity with South Asia s socio economic and cultural background It offers valuable insights into the decolonization of STM It greatly interests scholars and students of modern South Asian history sociology social anthropology and Science Technology and Society Studies STS Developing Minds Elise Klein,2016-10-04 Development policy makers and practitioners are becoming increasingly sophisticated in their ability to target development interventions and the psychological domain is now a specific frontier of their interventional focus This landmark study considers the problematic relationship between development and psychology tracing the deployment of psychological knowledge in the production reproduction of power relations within the context of neoliberal development policy and intervention It examines knowledge production and implementation by actors of development policy such as the World Bank and the neo colonial state and ends by examining the proposition of a critical psychology for more emancipatory forms of development The role of psychology in development studies remains a relatively unexplored area with limited scholarship available This important book aims to fill that gap by using critical psychology perspectives to explore the focus of the psychological domain of agency in development interventions It will be essential reading for students researchers and policy makers from fields including critical psychology social psychology development studies and anthropology **Vision and Society** John Clammer,2014-03-26 The sociology of art is now an established sub discipline of sociology But little work has been done to explore the implications not of society on art but of art on the nature and principles of sociology itself Vision and Society explores the ways in which art here mainly understood as visual art structures in fundamental ways the constitution of society the relations between societies and the ways in which society and culture should be theorized Building initially on an unfulfilled project by the French sociologist of art Nathalie Heinich to derive a sociology from art this book pushes this idea in unconventional directions Rethinking the relationships between the study of art and the study of sociology and anthropology this book explores how this rethinking might impact sociological theory in general and certain aspects of it in particular especially the study of social movements social change the urban the constitution of space and the ways in which human social relationships are mediated and expressed Marketing to the

Poor Ramendra Singh, Tahir A. Wani, 2022-10-12 This book looks at markets in low income economies and how they require fundamentally different marketing systems and strategies Analyzing the sociocultural characteristics of these markets it offers solutions for businesses to overcome spatial institutional and financial challenges while working in these contexts Markets for the poor are characterized by resource scarcity weak institutions and low literacy rates as well as a strong presence of cultural and community ties This book provides an understanding of these marketplaces including the consumer's wants and aspirations the relationship of the individual within the social milieu and their unique cultural contexts It provides strategies for businesses to develop a bottom up knowledge of global markets and incorporates practices which are inclusive and sustainable It also explores the links between human development entrepreneurship and marketing which are especially relevant in the pandemic hit global economy This book will be of interest to students and researchers of marketing business studies business administration rural management marketing management economics and development studies

Entrepreneurship Sílvia Manuel Brito, 2018-04-04 Entrepreneurship is a powerful attitude that in such a way in the last few years has become a discipline increasingly transversal to different areas of knowledge Many times we think about the things we want such as a good house a brand new car a beautiful relationship a good friendship and a good way to be in the world Is that possible that you convert into an entrepreneur This book shows some examples of that possibility from simple people to a big organization In all cases if you become an entrepreneur it will be for your taste and pleasure a means to survive and enjoy the uncertainty and rejoice that you have all these in your hands and will Can you find out the trends and overcome the challenges We would say yes It all depends on whether you want to develop and apply this attitude **Be the Change** Jeroninio Almeida & Jyoti Nanda, 2019-12-17 Inspiring stories of real heroes Be the Change is a decadelong journey of discovering soulstirring narratives that celebrate the triumph of the human spirit The compelling stories in this book are of ordinary citizens who have unleashed the spirit within with extraordinary consequences radically changing society for the better The list includes globally eminent names like Meera Sanyal Michael Norton Arun Maira Bill Drayton and Kumi Naidoo as well as unsung heroes like Lakshman Singh Thangsingh Chinkholal and many others Irrespective of their field these are people who have reached out beyond their own life to help others to be and to lead the change Their stories will inspire all of us to recognize our own power to be a champion of change reinforce the positive in society and leave an imprint on the sands of time JERONINIO JERRY ALMEIDA is one of the world's most innovative fundraisers and missionary entrepreneurs He is a celebrated inspirational speaker teacher executive coach and management consultant JYOTI NANDA is a teacher special educator author editor and certified Life Coach These stories have that power to inspire people to rise and act to make a difference NELSON MANDELA Insights from thousands of people and villages AMARTYA SEN Nobel Laureate Economist and Author *The Intention Economy* Doc Searls, 2012-04-10 Caveat venditor let the seller beware While marketers look for more ways to get personal with customers including new tricks with big data customers are about to get personal in their

own ways with their own tools Soon consumers will be able to Control the flow and use of personal data Build their own loyalty programs Dictate their own terms of service Tell whole markets what they want how they want it where and when they should be able to get it and how much it should cost And they will do all of this outside of any one vendor's silo This new landscape we're entering is what Doc Searls calls The Intention Economy one in which demand will drive supply far more directly efficiently and compellingly than ever before In this book he describes an economy driven by consumer intent where vendors must respond to the actual intentions of customers instead of vying for the attention of many New customer tools will provide the engine with VRM Vendor Relationship Management providing the consumer counterpart to vendors CRM Customer Relationship Management systems For example imagine being able to change your address once for every company you deal with or combining services from multiple companies in real time in your own ways all while keeping an auditable accounting of every one of your interactions in the marketplace These tantalizing possibilities and many others are introduced in this book As customers become more independent and powerful and the Intention Economy emerges only vendors and organizations that are ready for the change will survive and thrive Where do you stand Transforming Nations after the COVID-19 Pandemic Denis H. J. Caro, 2021-01-23 In 2020 the world is in the throes of the COVID 19 global pandemic an epidemic the likes of which humankind has not experienced for decades This book speaks to common and fundamental underlying issues that national communities face from a humanitarian and planetary systems perspective From the globalization initiatives of the last decades a dynamic and interconnected new planetary system order is emerging This book underscores the need for decent ethical healthy and just societies that enable individuals to reach full human potential It explores the future directions of 12 Key Strategic Influencer KSI nations through 18 systemic factors that will shape the contours of future planetary governance this century Finally it proposes a nonconventional systems paradigm to humanitarian challenges Sūtras, Stories and Yoga Philosophy Daniel Raveh, 2016-07-01 This book presents a close reading of four Indian narratives from different time periods epic Upaniadic pre modern and contemporary Ekalavya's story from the Mahabharata MBh 1.123.1-39 the story of Prajapati Indra and Virochana from the Chandogya Upanishad CU 8.7.1-8.12.5 the story of Ananka in the King's body from the Ankaradigvijaya and A. R. Murugadoss's Hindi film Ghajini 2008 respectively These stories are thematically juxtaposed with Patajali's yoga namely Patajali's Yogasutra and its vast commentarial body The Sūtras reveal hidden philosophical layers The stories on the other hand contribute to the clarification of philosophical junctions in the Yogasutra Through Sūtras and stories the author explores the question of self identity with emphasis on the role of memory and the place of body in identity formation Each of the stories diagnoses the connection between self identity and at least a sense of freedom Employing cutting edge methodology crossing the boundaries of literary theory story telling and philosophical reflection this book presents fresh interpretations of Indian thought It is useful to specialists in Asian philosophy and culture **Indian English Literature** KRISHNA SHARMA, 2020-09-08 This book has been designed to help

the students who want to crack the exams like NET JRF SET SLET TGT PGT etc It contains several writers and their important works in detail that is useful and exam oriented Once you read it you will recommend this book to others this is expected

*Cultural Rights and Justice* John Clammer,2018-12-11 This book provides an innovative contribution to the emerging field of culture and development through the lens of cultural rights arguing in favour of a fruitful dialogue between human rights development studies critical cultural studies and concerns about the protection and preservation of cultural diversity It breaks with established approaches by introducing the themes of aesthetics embodiment narrative and peace studies into the field of culture and development and in doing so proposes both an expanded conception of cultural rights and a holistic vision of development that not only includes these elements in a central way but which argues that genuine sustainability must include the cultural dimension including the notion of cultural justice as recognition protection and respect extended to the many expressions of human imagination in this world

ICIE 2015 3rd International Conference on Innovation and Entrepreneurship Deresh Ramjugernath,2015-02-24 These proceedings represent the work of researchers participating in the 3rd International Conference on Innovation and Entrepreneurship ICIE 2015 which is being co hosted by The University of KwaZulu Natal Durban and the Ethekwini Municipality Durban South Africa on the 19 20 March 2015 The ICIE Conference constitutes a valuable platform for individuals to present their research findings display their work in progress and discuss conceptual advances in many different branches of innovation and entrepreneurship in business and management At the same time it provides an important opportunity for researchers and managers to come together with peers share knowledge and exchange ideas ICIE builds on the now well established European Conference on Innovation and Entrepreneurship and allows universities outside the European Boundaries the opportunity to host an academic conference on these important topics In addition to the presentations of research the conference will feature a knowledge cafe led by Dr Shawren Singh looking at this topic How can academics focus research efforts to better serve the business and public sector communities The second day will open with a panel discussion looking at Smart cities Opportunities for Entrepreneurship and Economic growth Following an initial submission of 85 abstracts that have undergone a double blind peer review process 26 research papers 3 PhD research papers 2 work in progress papers are published in these Conference Proceedings representing research results from the Czech Republic Denmark Italy Kazakhstan Kenya Lithuania Nigeria Poland Saudi Arabia South Africa Sweden The Netherlands UK USA and Zambia

Social Economy in China and the World Ngai Pun,Ben Hok-bun Ku,Hairong Yan,Anita Koo,2015-08-20 Thirty years of economic transformation has turned China into one of the major players in the global capitalist economy However its economic growth has generated rising problems in inequality alienation and sustainability with the agrarian crises of the 1990s giving rise to real social outcry to the extent that they became the object of central government policy reformulations Contributing to a paradigm shift in the theory and practices of economic development this book examines the concept of social economy in China and around the world It offers to

rethink space economy and community in a trans border context which moves us beyond both planned and market economies The chapters address theoretical issues critical reflections and case studies on the practice of social economy in the context of globalization and its attempt to create an alternative modernity Through this the book builds a platform for further cross disciplinary and cross boundary dialogue on the future of social economy in China and the world With examples from Asia North America Latin America and Europe this book will not only appeal to students and scholars of Chinese and Asian social policy and development but also those of social economy from an international perspective      *Resurgence* ,2010
