[With]** Moravians, 1809 *The Romantics and the May Day Tradition* Essaka Joshua, 2016-02-24 This important contribution to both Romantic and cultural studies situates literature by Wordsworth Southey Hunt Clare and Blake within the context of folklore and popular customs associated with May Day Romantic responses to May Day bring into focus a range of issues now regarded as central to the writing of the period the natural world city life the pastoral regional and national identities popular culture cultural degeneration and cultural difference Essaka Joshua explores new connections between these issues in the context of a set of heterogeneous cultural practices that are rooted in the traditions and activities of diverse social groups She shows how Romantic writers have positioned themselves in relation to what has become known as the public sphere and the way in which they articulate an understanding of the common sphere as a site of plebeian self expression Joshua's nuanced account acknowledges the full complexity of class formations and inter class relationships and permits noncanonical and canonical texts such as the Prelude Songs of Innocence and Experience and The Village Minstrel to be reinterpreted in a cultural context that has not been previously explored by literary critics The Publishers Weekly, 1999 *A Medieval Life* Judith M. Bennett, 2020-11-20 A Medieval Life offers a biography of one woman a portrait of her world and an introduction to historical method A Medieval Life offers a biography of one woman a portrait of her world and an introduction to historical method Written in a clear and accessible

style it reworks a well loved book to provide an entirely new resource for students teachers and general readers Like Cecilia Penifader most people in the Middle Ages were peasants humble people living socially below the knights bishops and kings who figure so large in history books Judith M Bennett shows that peasants too made history She explores how peasant lives were closely entangled with the lives and interests of those more privileged looking at manors as well as villages parishes faith and ritual practices royal taxes and justice economy and trade famine and disease By moving out from Cecilia s perspective the book explores the ties and tensions that bound all medieval people poor as well as rich into a medieval society The book also provides a primer on the fact finding and interpretative debates that are at the heart of the historian s craft Each chapter includes a new section on how medievalists today are studying such topics as puberty morals courtship and climate change The illustrations taken from the famous Luttrell Psalter provide a coherent rich and interpretatively complex visual program And the final chapter explores some of the different ways in which historians for better and for worse have understood medieval society
