**Today Study Guide** Guy Robert Peel Steward, 2021-11-09 Living the Beatitudes Today Study Guide is supplementary to the book Living the Beatitudes Today. It is a companion guide with complementary notes, insights, and questions. This whole study guide is to consolidate, revise, and further explore the Beatitudes. The notes are crucial to a more complete understanding of the text. Each beatitude is given one or more key supporting Scriptures for memorisation, supplementary notes on the specific meaning and application of that beatitude, and study questions to help the student to personalise the information, enlarge their understanding, and think further on how to apply it in their daily life. Living the Beatitudes Today Study Guide could be used for private or small group study yet is comprehensive enough for Bible college, seminary classes, and tutorials. The Appendix on Law is particularly for those students who would like a better grasp of this rather more complex subject. **The**

**The Beatitudes for Progressive Christians** Donald Schmidt, 2020-07-27 Let's admit it We live in a complicated world where things are a bit crazy and not in a good way A global pandemic wars racial strife wealth disparity death and destruction we are all affected by these things one way or another even if only through the media And we all suffer because of them sometimes directly and physically usually emotionally and often spiritually though we may not always recognize it Some of us suffer more than others of course particularly those of us who are or have been touched directly by tragedy or trauma It's enough sometimes to make you question your faith It's enough sometimes to make you wonder if you're cursed Not so says Jesus Not only are we not cursed it is in these painful extremes we are the most blessed With genuine pastoral sensitivity Schmidt says The Beatitudes tell us that we can find and experience God's presence in difficult times We can know our lives are expressions of divine love when we seek to bring about peace and justice in our world We can find comfort when we are grieving and hurting And all those times when people put us down for our adherence to living the gospel we can feel assured that despite ridicule we are on the right path
