**Mike Oldfield** Ryan Yard, 2025-04-07 It can be difficult for an artist to have such overwhelming success so early into their career as Mike Oldfield did To this day his name is forever synonymous with his debut album *Tubular Bells* Mike followed this album with three further long form works in the 1970s before venturing off along other musical paths However the 1980s saw further success both in the albums and singles charts while recent years have seen a return to lengthier pieces often via sequels to his most famous work with his most recent album being *Return To Ommadawn* in 2017 The music of Mike Oldfield touches his listeners in ways that can be hard to describe It bridges the gap between many musical cultures including pop progressive rock classical world music and dance In the meantime Oldfield has always stayed alert to current technological trends In this book Ryan Yard looks at the entire catalogue of albums to uncover what it is that makes his music so astonishing Every track from each album is critiqued offering long term fans a different perspective while enticing new fans to explore such a remarkable catalogue of music In doing so this book provides an invaluable companion to this unique and hugely talented musician Ryan Yard is a Composer Pianist and Teacher He has recorded five studio albums drawing upon his love of progressive rock electronica and classical music working with artists such as Tom Newman producer of *Tubular Bells* and Les Penning who played recorder on Oldfield's UK hits *Portsmouth* and *In Dulci Jubilo* Ryan teaches piano music theory and composition and has established himself as a transcriptionist having worked on a large collection of Mike Oldfield music alongside works from other artists such as Yes and Vangelis He lives and works in Shropshire
