Because Of You Reflections In Haiku:

Because of You Jesse Sharpe, Kathy Walker, 2009-12 Because of You is a revealing venture in haiku with tanka cinquaine and lantern added for good measure all four styles of poetry are considered to have originated in Japan and all adhere to brevity tight structure and lend themselves to thoughtful reflection however in this collection of poetry the haiku based on the Buddhist philosophy of brevity and simplicity is the predominant voice as you read this collection of haiku that touches dives into and sometimes unearths the emotional drama and subtleties of relationships allow yourself the freedom to feel imagine and enjoy and it is okay to do so in a coffee or doughnut shop somewhere on the train or bus or wherever else you find that comfortable place to be above all read be at peace and enjoy *To Walk With Thee: Songs of the Spirit* ,

As a Kite Falls Richard Tyler,2024-06-27 We have become fixated on ascent in our lives achieving more being quicker and rising up But what if we are missing the richest life lessons by repressing the difficulties we experience Both ascent and descent are vital in life Yet whilst we are educated on how best to ascend it is rare we are supported as we descend Instead we are encouraged to hide those times from ourselves and others Richard s descent was epic From playing lead roles on West End stages to receiving a diagnosis of three months to live with a rare cancer In this heartfelt and moving story Richard offers a glimpse into his year of monumental descent He invites us to accompany him as he navigates loss grief and heartache in a tale of the beauty and the ugliness of the human condition How when illness struck unexpected love and compassion became the secret healer Something Richard was determined to share by setting up a charity for others with blood cancer As a Kite Falls offers food for thought and medicine for the soul Richard s humility humour and grace shine through on every page He uses the flow of the seasons and the deceptively simple art of haiku to bring us closer to the importance of space and pause in our lives Richard s training in psychotherapy adds a deeper layer of understanding of what it means to be human while acknowledging that none of us can truly make sense of the load others carry In a world drowning in noise As a Kite Falls gifts us a place of quietening down to listen to our own whispers
