## THE ULTIMATE ARTIST'S REFERENCE GUIDE TO BEAR

Bears are one of North America's most feared predators, but also one of the most exciting. Inside this book, wildlife artist and photographer, Doug Lindstrand, reveals all aspects of these noble creatures through stunning full-color photographs and detailed sketches. From the grizzly bear to the black bear and the polar bear—no North American species has been left out.

Inside you will find up-close photographs of bears in motion. Taken at various angles and in various seasons and colors, these photographs will help you to better portray the animal with accuracy in your own artwork. The author has also included over 100 detailed drawings—perfect for close-up views or adding texture to your artwork. Not to be missed are the author's reference notes providing exciting insight and information on one of nature's most magnificent creatures.

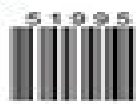

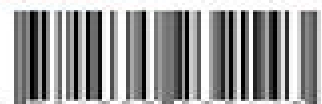

### *About the author:*

For the past 30 years, Doug Lindstrand has been sketching and photographing North America's wildlife. An Alaskan "transplant," Doug attributes his migration North to the forces of Alaska's fabled frontier and abundant wildlife. Since his arrival in Alaska, Doug has supported himself as a freelance artist and photographer. He usually travels during the warmer months and then uses his acquired notes, sketches, and photographs to do his winter-time drawing and painting. Doug is the author of *DEER: The Ultimate Artist's Reference*, *Doug Lindstrand's Alaska Sketchbook*, *Drawing Big Game*, *Drawing Mammals*, *Drawing America's Wildlife*, and *Wild Alaska*.
