It was originally published in 1907 in the United States as *Twenty Beautiful Stories from Shakespeare: A Home Study Course*. Beautiful Stories from Shakespeare is an expanded version of Nesbit's earlier book *The Children's Shakespeare* (1897), a collection of twelve tales based on plays by William Shakespeare. For her second collection, Nesbit selected the same twenty tales included by Charles and Mary Lamb in their 1807 classic children's book *Tales from Shakespeare*. Nesbit's adaptations targeting younger children are shorter and also less moralistic than those by the Lambs. The book is edited by E. T. Roe and includes the editor's preface. **Beautiful Stories from Shakespeare** E. Nesbit, 2019-08-12 The writings of Shakespeare have been justly termed the richest, the purest, the fairest that genius uninspired ever penned. Shakespeare instructed by delighting. His plays alone leaving mere science out of the question, contain more actual wisdom than the whole body of English learning. He is the teacher of all good: pity, generosity, true courage, love. His bright wit is cut out into little stars. His solid masses of knowledge are meted out in morsels and proverbs, and thus distributed, there is scarcely a corner of the English-speaking world today which he does not illuminate, or a cottage which he does not enrich. His bounty is like the sea, which though often

unacknowledged is everywhere felt As his friend Ben Jonson wrote of him He was not of an age but for all time He ever kept the highroad of human life whereon all travel He did not pick out by paths of feeling and sentiment In his creations we have no moral highwaymen sentimental thieves interesting villains and amiable elegant adventuresses no delicate entanglements of situation in which the grossest images are presented to the mind disguised under the superficial attraction of style and sentiment He flattered no bad passion disguised no vice in the garb of virtue trifled with no just and generous principle While causing us to laugh at folly and shudder at crime he still preserves our love for our fellow beings and our reverence for ourselves
