In the samples, each district's basic school calendar was used to determine instructional days. Using the instructional days data, time frames for beginning-of-year tests, middle-of-year tests, and end-of-year tests were established. The centers of these time frames were roughly 30 days, 80 days, and 150 days from the beginning of the academic year of the student's school for the fall, winter and spring terms, respectively.
