have affected the end of the war in the Pacific and indeed the Second World War as a whole Would Emperor Hirohito's armed forces have battled on When might Colonel Paul W Tibbets at the controls of his Boeing B 29 Superfortress Enola Gay have then made his historic flight over Hiroshima and would that city even have remained the target How would Stalin and the Soviets have reacted to such developments and how would this have played out in the post war world **The Displaced**

Kierkegaard's Journals and Notebooks, Volume 7 Søren Kierkegaard,2014-10-05 For over a century the Danish thinker Søren Kierkegaard 1813-55 has been at the center of a number of important discussions concerning not only philosophy and theology but also more recently fields such as social thought psychology and contemporary aesthetics especially literary theory Despite his relatively short life Kierkegaard was an extraordinarily prolific writer as attested to by the 26 volume Princeton University Press edition of all of his published writings But Kierkegaard left behind nearly as much unpublished writing most of which consists of what are called his journals and notebooks Kierkegaard has long been recognized as one of history's great journal keepers but only rather small portions of his journals and notebooks are what we usually understand by the term diaries By far the greater part of Kierkegaard's journals and notebooks consists of reflections on a myriad of subjects philosophical religious political personal Studying his journals and notebooks takes us into his workshop where we can see his entire universe of thought We can witness the genesis of his published works to be sure but we can also see whole galaxies of concepts new insights and fragments large and small of partially or almost entirely completed but unpublished works Kierkegaard's Journals and Notebooks enables us to see the thinker in dialogue with his times and with himself Volume 7 of this 11 volume series includes six of Kierkegaard's important NB journals Journals NB15 through NB20 covering the months from early January 1850 to mid September of that year By this time it had become clear that popular sovereignty ushered in by the revolution of 1848 and ratified by the Danish constitution of 1849 had come to stay and Kierkegaard now intensified his criticism of the notion that everything even matters involving the human soul could be decided by balloting He also continued to direct his barbs at the established Danish Church and its clergy particularly Bishop J. P. Mynster and Professor H. L. Martensen at the press and at the attempt by modern philosophy to comprehend the incomprehensibility of faith Kierkegaard's reading notes include entries on Augustine the Stoics German mystics Luther pietist authors and Rousseau while his autobiographical reflections circle around the question of which if any of several essays explaining his life and works he ought to publish Perhaps unsurprisingly Kierkegaard's more personal reflections return once again to his public feud with M. A. Goldschmidt and his broken engagement to Regine Olsen Kierkegaard wrote his journals in a two column format one for his initial entries and the second for the extensive marginal comments that he added later This edition of the journals reproduces this format includes several photographs of original manuscript pages and contains extensive scholarly commentary on the various entries and on the history of the manuscripts being reproduced

The Silver Bullet Solution James E. Gierach, 2023-11-21 What's been missing the past 30 years that prevented voters and leaders from hearing or acting upon the Gierach call and the Civil Society call for legalized controlled and regulated drugs and drug markets Why the public repulsion from the Silver Bullet Solution to the many tentacled drug prohibition monster Have you lost a child to fentanyl or heroin overdose Are you worried about losing a loved one to drug addiction or drug accident Is your neighborhood threatened by violent crime and gangs Is it safe for your child to get to school go to the park or play outside Do you live in a safe suburban neighborhood but yet feel like you need a firearm to be safe in your own home car or traveling on a big city expressway Do you believe the World War on Drugs 62 years old has been a dismal failure and ongoing drug seizures by the ton are evidence of that failure Regardless of color does it anger you that Blacks Latinos and poor Whites are sitting in American prisons for drug crimes at disparate rates Did you know that drug prohibition causes needless bullet holes and that bullet hole healthcare greatly contributes to an unaffordable healthcare system whether called Obamacare Trumpcare or Single Payer This book offers answers to these challenges and it broadcasts the idea that there is something YOU CAN DO about it You can help the new public opinion evolve **Human rights and encryption** Schulz, Wolfgang, Hoboken, Joris van, 2016-12-05
