Ace of Cakes Duff Goldman, Willie Goldman, 2009-10-20 When Duff Goldman Food Network's Ace of Cakes envisioned Charm City Cakes in Baltimore nearly a decade ago his goal was to make wonderful cakes for friends and family As word spread about his fabulous creations his dream grew into a nationally renowned business staffed by a team of talented professionals including musicians artists and creative souls with experience in architectural modeling graphic design deejaying coffee making performance art dog walking sculpture painting and more Aces of Cakes Inside the World of Charm City Cakes is a celebration of the bakery that started it all This colorful scrapbook is loaded with stories about Duff's early days as a graffiti artist turned young chef his successes and hilarious disasters and the amazing team he built step by step Through candid interviews and profiles and hundreds of photographs illustrations and collages the book shows how energy inspiration collaboration and a bit of luck can conspire to help anyone achieve their creative vision Of course at the center of this stunning book are Charm City's Cakes From the simple to the breathtakingly complex Duff shows off some of the bakery's more unusual techniques and tools that shape their famous creations He also offers a behind the scenes look at his Food Network show shares his most incredible customer stories and requests and reveals some of the bakery's favorite cake facts and tips along with a comprehensive episode guide and a monster cake montage featuring seven years worth of the bakery's astonishing cake creations

Key to the City Sara C. Bronin, 2024-10-01 An eye opening exploration of one of the little known levers that controls our world zoning codes and a call to arms for using them to improve American society at every level Zoning codes dictate how and where we can build housing factories restaurants and parks They limit how tall buildings can be and where trees can be planted They have become the most significant regulatory power of local government ultimately determining how we experience our cities Yet zoning remains invisible In Key to the City legal scholar and architect Sara C Bronin examines how zoning became such a prevailing force and reveals its impact and its potential for good Outdated zoning codes have maintained racial segregation prioritized cars over people and enabled great ecological harm But as Bronin argues once we recognize the power of zoning we can harness it to create the communities we desire and deserve Drawing on her own experience leading the overhaul of Hartford's zoning code and exploring the efforts of activists and city planners across the country Bronin shows how new codes are reshaping our cities from Baltimore to Chicago Las Vegas to Minneapolis and beyond In Boston a law fought for by a passionate group of organizers farmers and beekeepers is transforming the city into a haven for urban farming In Tucson zoning codes are mitigating the impacts of climate change and drought proofing neighborhoods in peril In Delray Beach Florida a new code aims to capture and maintain the town's colorful spirit through its architecture With clarity and insight Bronin demystifies the power of an inscrutable organizing force in our lives and invites us to see zoning as a revolutionary vehicle for change In Key to the City she puts forward a practical and energizing vision for how we can reimagine our communities

Comprehension

[Grades K-12] Douglas Fisher,Nancy Frey,Nicole Law,2020-08-20 Radically change the way students learn from texts extending beyond comprehension to critical reasoning and problem solving Is your reading comprehension instruction just a pile of strategies There is no evidence that teaching one strategy at a time especially with pieces of text that require that readers use a variety of strategies to successfully negotiate meaning is effective And how can we extend comprehension beyond simple meaning Bestselling authors Douglas Fisher Nancy Frey and Nicole Law propose a new comprehensive model of reading instruction that goes beyond teaching skills to fostering engagement and motivation Using a structured three pronged approach skill will and thrill students learn to experience reading as a purposeful act and embrace struggle as a natural part of the reading process Instruction occurs in three phases Skill Holistically developing skills and strategies necessary for students to comprehend text such as monitoring predicting summarizing questioning and inferring Will Creating the mindsets motivations and habits including goal setting and choice necessary for students to engage fully with texts Thrill Fostering the thrill of comprehension so that students share their thinking with others or use their knowledge for something else Comprehension is the structured framework you need to empower students to comprehend text and take action in the world

City Imaging: Regeneration, Renewal and Decay Tara Brabazon,2013-09-26 This book examines the paradoxes challenges potential and problems of urban living It understands cities as they are rather than as they may be marketed or branded All cities have much in common yet the differences are important They form the basis of both imaginative policy development and productive experiences of urban life The phrase city imaging is often used in public discourse but rarely defined It refers to the ways that particular cities are branded and marketed It is based on the assumption that urban representations can be transformed to develop tourism and attract businesses and in demand workers to one city in preference to another However such a strategy is imprecise History subjectivity bias and prejudice are difficult to temper to the needs of either economic development or social justice The taste smell sounds and architecture of a place all

combine to construct the image of a city For researchers policy makers activists and citizens the challenge is to use or transform this image The objective of this book is to help the reader define understand and apply this process After a war on terror a credit crunch and a recession cities still do matter Even as the de territorialization of the worldwide web enables the free flow of money music and ideas across national borders cities remain important City Imaging Regeneration Renewal Decay surveys the iconography of urbanity and explores what happens when branding is emphasized over living

Fingerprint No. 2 Design Associates Chen,2014-07-01 For many designers creating things by hand is a reaction to too much computer based design Since the first Fingerprint was published ideas that were once on the fringe have begun to thrive in the mainstream From typography and illustration to book making and film titles elements of handcraft have soaked into everyday life Fingerprint No 2 reflects the evolution of those ideas In this second volume you ll still find plenty of projects created entirely without the aid of computer technology But you ll also discover how designers are beginning to incorporate the two aesthetics handmade and digital in order to best communicate their message A third hybrid aesthetic is emerging one that marries the technologies of the past and future into a vibrant exciting present Look inside to discover 133 projects and exclusive visual essays from leading designers including Robynne Raye Stefan Bucher and Christian Helms These pieces of work prove that handmade elements are not only vital to excellent design but often result in exceptional design Listen for the pulse which cannot be faked forged or falsified Look for the finger print It is the key to design s success
