mind and his unflagging interest in everything in his world

The Atom-Smashing Power of Mind Charles Fillmore, 2019-01-17

The great and most important issue before the people today is the development of man's spiritual mind and through it unity with God

The taproot of all our confusion is our failure to use our mind intelligently

We can only think as God would have us think by adjusting our thoughts to divine ideas

Religion and all that it implies in prayer and recognition of God in idea and manifestation is the one and only way out of the chaos in which we find ourselves

We must therefore begin at once to develop this unity with the Father Mind by incorporating divine ideas into all that we think and speak
