Beacon Bible Commentary Volume 2 Joshua Through Esther Beacon Commentary:

Beacon Bible Commentary ,1965 The Two Witnesses are God the Father and The Holy Spirit - Revelation 11 Joel Hernandez,2019-10-08 In this first volume of my book I have proved beyond the shadow of a doubt that The Two Witnesses in Revelation 11 are God The Father and The Holy Spirit Which is a fact that none of the Ancient or Modern day commentators have ever known in 2 000 years That they are primarily God the Son s Two Witnesses who is the Glorious omnipotent Angel in Revelation chapter 10 who is prophesying to John about his immediate future in Revelation chapter 11 where he has assumed his second nature as Jesus Rev 11 8 Nor have they ever known that Jesus is the Main and Hidden Actor behind the scenes and underlying dimension of chapter 11 in spite of the fact that his Two Witnesses who are actually in him in chapter 11 as I shall also demonstrate seem to be the main Actors on the surface as I shall also demonstrate Or ever known that Jesus is alive in chapter 11 Now that the Angel has become Jesus they must be referred to as Christ Two Witnesses None of the commentators have ever taken these facts into account because they never suspected the Two Witnesses could be God who they should have considered in the first place And considered 2 Cor 5 19 which says that God was in Christ reconciling the world unto himself That which immediately proves the Two Witnesses are the Father and Holy Spirit is the fact that Christ who is also God is called the very same things in the Bible they are a Witness an Olive Tree a Lampstand and a Prophet making a total of Three Witnesses Rev 1 5 Rev 11 3 Three Olive Trees Rev 11 4 Judg 9 8 9 Three Lampstands Rev 11 4 Zech 4 1 And Three Prophets Rev 11 10 John 4 19 The Father Son and Holy Spirit have always been Witnesses of each other throughout all Eternity And now that God the Son the omnipotent Angel has come down from the third heaven to earth in Rev 10 1 2 and assumed the form of Jesus the Father and Holy Spirit have now become the Two Witnesses of the Lamb that was slain Rev 11 7 8 Rev 5 6 in Time Beacon Bible Commentary: Joshua-Esther ,1969

Pentecostal Theological Education in the Majority World, Volume 1 Dave Johnson,Rick Wadholm Jr.,2023-03-23 There remains a considerable gap in discussion of Pentecostal theological education in and by the Majority World This volume seeks to fill that gap and offer ways for such conversations to progress among educators and institutions globally Theological education may be conceived in broad terms as inclusive of discipleship within the local church for instance yet the phrase is used in this volume regarding formal engagement within higher education that is specifically focused on theological development and discipleship within the academic disciplines This volume takes up an initial foray into the narrow approach in seeking to address those persons institutions and organizational bodies concerned with the graduate post graduate levels of theological education with the intent of a following volume more specific to the undergraduate bachelor s and certificate levels of higher education The further intent is to include a third volume on non formal theological education which is critical for the continuance of the global Pentecostal Charismatic revival The collection of essays included in this volume represent a diverse authorship globally as seeking to address pertinent issues of Pentecostal theological

education in the Majority World The opening contributions by Gary Munson Vee J Doyle Davidson and Amos Yong offer introductory observations and underlying theological and socio cultural underpinnings for better engaging Pentecostal theological education in the Majority World Dave Johnson and Josfin Raj each carry the conversation into areas of advancing research engagement and maturation that may be imported local or globalized and make good use of the tools available in each context The three chapters by Daniel Topf Peter White and Jeremiah Campbell provide histories and prospective futures in several Majority World contexts across regions of Africa and Latin America A volume such as this would be remiss to not have a contribution speaking to the role of the Holy Spirit in theological education Temesgan Kahsay provides just such an essay that seeks to consider ways in which the Spirit has and ought to be more directly engaged through the educational processes The volume is rounded out by the chapter of Dean D O Keefe and Jacqueline N Grey that provides some biblical theological reflections drawn from the exilic and post exilic texts of the Old Testament as bases for reflecting upon Pentecostal practices in conversation with Scripture

Mothers on the Margin? E. Anne Clements,2014-05-01 The Gospel of Matthew opens with a patrilineal genealogy of Jesus that intriguingly includes five women Tamar Rahab Ruth she of Uriah

and Mary In a gospel that has a strongly Jewish and male orientated outlook why are women incorporated In particular why include these four Old Testament women alongside Mary Rejecting traditional as well as feminist views Anne Clements undertakes a close literary reading of the narratives to discern how each woman is characterized and presented All are significant scriptural figures on the margins of Israelite society From this intertextual world established by Matthew Clements explores why Matthew may have named these women in the opening genealogy and what implications their inclusion may have for the ongoing gospel narrative Mothers on the Margin argues that Matthew s Gospel contains a counter narrative focused on women The presence of the five women in the genealogy indicates that the birth of the Messiah will bring about a crisis in Israel s identity in terms of ethnicity marginality and gender The women signal that Matthew s Gospel is concerned with the construal of a new identity for the people of God
