Cats in Heat Asha King, Adelaide Deveraux lives a quiet life in the country never quite fitting in with other people and preferring her spare time spent caring for the various stray cats in the area. But late one Friday night a feline of a much larger persuasion shows up at her door shifting into a very injured and very naked human man in need of help. Erik Wells has been on the run his whole life from the people who killed his parents when he was a boy from a group determined to exterminate his own kind and now from the underground gladiator ring who abduct shifters and have them fight to the death for entertainment. And he needs to keep running but something about Addie draws him to her home and her care. The tiger in him senses it there's more to Addie than apparent at first glance more to her knack for working with roots and herbs more to her prophetic dreams more to the secrets buried in her family history. But if she is who he thinks she is the danger's just beginning as the powerful man responsible for keeping Erik captive for so long will stop at nothing to obtain her for his own.

Year of the Cat Asha King, 2022-05-04 The conclusion to Asha King's paranormal romance serial *Cats Conjure* brings conjurer Adelaide face to face with her greatest enemy while trying to save those she loves. Adelaide Deveraux is a powerful Sanctuary able to hide and heal those who need it. Surrounded by guardians and with the love of her life at her side a heavily pregnant Addie scrambles to find a way to stop the woman known as Deddeh who is capable of consuming magic and leaving husks of ash behind. Her lover tiger shifter Erik Wells survived years of abuse at the hands of a deranged sorcerer and did terrible things to survive. Although he's been resurrected from death once before by powerful forces determined to draw him back to Addie now his infection by Deddeh's hand threatens his life again and there doesn't seem to be a way to stop it. Whatever time he has left he wants to spend protecting Addie but as a familiar face from his troubled past appears at the Sanctuary's island one with a grudge and a reason to want Erik dead he realizes it might not be the infection that kills him but his own misdeeds. Everything is on the line for Addie her family and her friends and saving them might mean sacrificing herself as she takes on Deddeh once and for all.

Cat's in the Cradle Asha King, 2025-08-24 Conjurer Adelaide Deveraux not only has guardians assembled to protect her Sanctuary but has once again been reunited with her once dead true love tiger shifter Erik Wells. They'll need more than a handful of shaman and shifters to protect them this time however an even greater foe has risen in Deddeh a monstrous woman who is capable of sucking the magic and life force from others. If she can gain Addie's power it could elevate her to god-like status bringing out old enemies of the Sanctuary who will eradicate anyone for the greater good. And with their first child on the way Erik and Addie have more than ever to lose.

Stray Cat Strut Asha King, 2015-09-18 The third novella in Asha King's exciting *Cats* he's been doing it for most of his life and he's determined to keep Addie safe. Between their handful

[The Hydra's Tale](#) R. Rawdon Wilson, 2002-05. Imagine a disgusting experience. Now think about your response. What was it about the moment that made you turn your head that led your lip to curl and nose to wrinkle? Disgust has many triggers, some obvious, others less so. What disgusts us is never irrevocably fixed and certain. It changes from culture to culture and even at times within a culture. This fluidity makes the term disgust at once deadly simple and extremely complex. In *The Hydra's Tale*, Robert Rawdon Wilson treats the experience of disgust not from the perspective of the disgusting object in the world but from its representation. Disgust marks either a slip over the border of the socially sanctioned or a struggle to keep someone or something from crossing that border. Working through the spectrum of human response, culture and art, Wilson teases out the assumptions that underpin the disgust response.
