Beat Failure Power Self Imagination Bomb:

The End of the World Ulrich H. J. Körtner, 1995-01-01 In this book Ulrich Kortner addresses the issue of apocalyptic anxiety by offering a theological and philosophical evaluation of the apocalyptic In particular Kortner looks at how theology responding in pastoral sensitivity should deal with apocalyptic fears and anxieties Kortner concludes that real meaning and hope for the world is possible only after the world s inhabitants deal constructively with the stark reality of the world s end

The Beats Ann Charters, 1983 *German National Socialism and the Quest for Nuclear Power, 1939-49* Mark Walker, 1992-12-17 This a paperback edition of Professor Walker s full scale examination of the German efforts to harness the economic military and political power of nuclear fission between 1939 and 1949 The book explains clearly in terms that the non specialist can understand what was involved in the Germans quest and in what ways the German scientists succeeded or failed in the development of the bomb

Filling the Hole in the Nuclear Future Robert Jacobs, 2010-04-12 From the dawn of the atomic age art and popular culture have played an essential role interpreting nuclear issues to the public and investigating the implications of nuclear weapons to the future of human civilization Political and social forces often seemed paralyzed in thinking beyond the advent of nuclear weapons and articulating a creative response to the dilemma posed by this apocalyptic technology Art and popular culture are uniquely suited to grapple with the implications of the bomb and the disruptions in the continuity of traditional narratives about the human future endemic to the atomic age Filling the Hole in the Nuclear Future explores the diversity of visions evoked in American and Japanese society by the mushroom cloud hanging over the future of humanity during the last half of the twentieth century It presents historical scholarship on art and popular culture alongside the work of artists responding to the bomb as well as artists discussing their own work From the effect of nuclear testing on sci fi movies during the mid fifties in both the U S and Japan to the socially engaged visual discussion about power embodied in Japanese manga Filling the Hole in the Nuclear Future takes readers into unexpected territory

Strategy and Nuclear Deterrence Steven E. Miller, 2014-07-14 This book of selections from the distinguished journal International Security speaks to the most important question of our age the deterrence of nuclear war Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Imagining America at War Cynthia Weber, 2020-07-24 Ten films released between 9 11 and Gulf War II reflect raging debates about US foreign policy and what it means to be an American Tracing the portrayal of America in the films Pearl Harbor World War II We Were Soldiers and The Quiet American the Vietnam War Behind Enemy Lines Black Hawk Down and Kandahar episodes of humanitarian intervention Collateral

Damage and In the Bedroom vengeance in response to loss Minority Report futurist pre-emptive justice and Fahrenheit 9/11 an explicit critique of Bush's entire war on terror Cynthia Weber presents a stimulating new study of how Americans construct their identity and the moral values that inform their foreign policy This is not just another book about post-9/11 America It introduces the concept of moral grammars of war and explains how they are articulated Many Americans asked in the wake of 9/11 not only why do they hate us but what does it mean to be a moral American and how might such an American act morally in contemporary international politics This text explores how these questions were answered at the intersections of official US foreign policy and post-9/11 popular films It also details US foreign policy formation in relation to traditional US narratives about US identity who we think we were are who we wish we'd never been who we really are and who we might become as well as in relation to their foundations in nationalist discourses of gender and sexuality This book will be of great interest to students of American Studies US Foreign Policy Contemporary US History Cultural Studies Gender and Sexuality Studies and Film Studies

Congressional Record United States. Congress, 1993 **Congressional Record Index**, 1921 Includes history of bills and resolutions Princeton Alumni Weekly, 1948 Special Delivery Linda S. Kauffman, 1992-03 Though letter writing is almost a lost art twentieth century writers have mimed the epistolary mode as a means of reevaluating the theme of love In Special Delivery Linda S. Kauffman places the narrative treatment of love in historical context showing how politics economics and commodity culture have shaped the meaning of desire Kauffman first considers male writers whose works testing the boundaries of genre and gender imitate love letters Viktor Shklovsky's Zoo Vladimir Nabokov's Lolita Roland Barthes's A Lover's Discourse and Jacques Derrida's The Post Card She then turns to three novels by women who are more preoccupied with politics than passion Doris Lessing's The Golden Notebook Alice Walker's The Color Purple and Margaret Atwood's The Handmaid's Tale By juxtaposing these women's productions with the men's production of Woman Special Delivery dismantles the polarities between male and female theory and fiction high and low culture male critical theory and feminist literary criticism Kauffman demonstrates how all seven texts mercilessly expose the ideology of individualism and romantic love each presents alternate paradigms of desire wrested from Oedipus grounded in history and politics giving epistolarity a distinctively postmodern stamp
