Pardue, 2013-09-12 This book brings a variety of theological resources to bear on the now widespread effort to put humility in its proper place In recent years an assortment of thinkers have offered competing evaluations of humility so that its moral status is now more contentious than ever Like all accounts of humility the one advanced in this study has to do with the proper handling of human limits What early Christian resources offer and what discussions of the issue since the eighteenth century have often overlooked is an account of the ways in which human limits are permeable superable and open to modification because of the working of divine grace This notion is especially relevant for a renewed vision of intellectual humility the primary aim of the project but the study will also suggest the significance of the argument for ameliorating contemporary concerns about humility's generally adverse effects      **Cruciform Scripture** Christopher W. Skinner, Nijay K. Gupta, Andy Johnson, Drew J. Strait, 2021-01-05 What does it mean to participate in the cruciform Lord Jesus Christ so that our life together becomes a living exegesis of the gospel Michael Gorman has been tremendously influential in exploring this question within the New Testament particularly in the letters of Paul the Gospel of John and the book of Revelation His 2001 book *Cruciformity: Paul's Narrative Spirituality of the Cross* inspired a generation of scholars and was the first in a trilogy of New Testament theology devoted to exploring the role of the cross participation in Christ and becoming the gospel in mission Here an assemblage of some of the best and brightest current New Testament exegetes honor Gorman's work with contributions of their own each of which further explores these three critical themes in various passages of the New Testament *Cruciform Scripture* is more than a tribute to a giant of biblical scholarship Its contributors including N T Wright Sylvia Keesmaat and Richard Hays are masters in their own right who offer incisive interpretations of essential themes of New Testament theology and the core concerns of Christian life in community As they reason together in this volume they amplify one another's voices as well as Gorman's modeling a way that careful reflection on Paul's determination to know nothing except Jesus Christ and him crucified can engender fruitful insights on the nature of discipleship Contributors Ben C Blackwell Sherri Brown Frank E Dicken Dennis R Edwards Rebekah Eklund Dean Flemming Patricia Fosarelli Stephen E Fowl Nijay K Gupta Richard B Hays Andy Johnson Sylvia C Keesmaat Brent Laytham Christopher W Skinner Klyne R Snodgrass Drew J Strait and N T Wright      **Assaulted Personhood** Craig C. Malbon, 2020-12-14 In 21st century America personhood is under daily assault sometimes with dire consequences Scientist ethicist and ordained minister Craig C Malbon encourages the reader to consider such assaults on personhood endured by victims of abortion ageism Alzheimer's disease drug addiction mental and physical disabilities gender gender orientation racism sexual preference identity politics and our will to power over the other In exploring personhood status Malbon poses difficult questions for us Is personhood assigned as all or nothing or is it a sliding scale based upon criteria arbitrarily aimed at our vulnerabilities Does the voiceless embryo and fetus have advocates who can speak to the moral question of abortion Is the personhood of an economically insecure

pregnant woman degraded to the point where lack of access to early termination of pregnancy results in coercive childbearing Does being a member of the LGBTQI community target one for assaults on personhood to the extreme of being killed In delving into the biology and psychology of assaults of self upon the other Malbon sees powerful linkages of everyday assaults on personhood to darker profound original sins that are foundational to the rise of the American empire i e assaults on the indigenous Native Americans and assaults derivative to the institution of slavery upon Africans African Americans and their descendants
