

Beautiful Thoughts

A Romantic-style landscape painting. In the foreground, a powerful waterfall cascades over a rocky ledge into a pool of water. The surrounding area is densely forested with various types of trees, including tall evergreens and leafy deciduous trees. In the middle ground, a small wooden bridge or structure is visible near the waterfall. The background shows a vast, open landscape with rolling hills and a small white house in the distance. The sky is filled with soft, white clouds, and the overall lighting suggests a bright, sunny day. The colors are rich and vibrant, typical of the Romantic era's emphasis on nature's beauty.

[The Shipwreck Sea](#) Jeffrey M. Duban, 2019-01-28 Sappho in the words of poet Algernon Charles Swinburne 1837 1909 was simply nothing less as she is certainly nothing more than the greatest poet who ever was at all Born over 2 600 years ago on the Greek island of Lesbos Sappho the namesake lesbian wrote amorously of men and women alike exhibiting both masculine and feminine tendencies in her poetry and life What's left of her writing and what we know of her is fragmentary and thus ever subject to speculation and study The Shipwreck Sea highlights the love poetry of the soulful Sappho the impassioned Ibycus and the playful Anacreon among other Greek lyric poets of the age 7th to 5th centuries BC with verse translations into English by author Jeffrey Duban The book also features selected Latin poets who wrote on erotic themes Catullus Lucretius

Horace and Petronius and poems by Charles Baudelaire with his milestone rejoinder to lesbian love Lesbos and in the same stanzaic meter a turn to the consoling power of memory in love's more frequently tormented recall Le Balcon Duban also translates selected Carmina Burana of Carl Orff the poems frequently Anacreontic in spirit The book's essays include a comprehensive analysis with a new translation of Horace's famed Odes 1-5 To Pyrrha in which the theme of love's shipwreck predominates and an opening treatise length argument exploring painting sculpture literature and other Western art forms on the irrelevance of gender to artistic creation No Homer was not a woman and it would make no difference if she were Twenty full color artwork reproductions masterpieces in their own right illustrate and bring Duban's argument to life Finally Duban presents a selection of his own love poems imitations and pastiches written over a lifetime these composed in the classical mode which is the leitmotif of this volume The Shipwreck Sea is a delightful and continually thought provoking companion to The Lesbian Lyre both books vividly demonstrating that classicism yet thrives in our time despite the modernism marshaled against it

The Early Evolutionary Imagination Emelie Jonsson, 2021-09-29 Darwinian evolution is an imaginative problem that has been passed down to us unsolved It is our most powerful explanation of humanity's place in nature but it is also more cognitively demanding and less emotionally satisfying than any myth From the publication of the Origin of Species in 1859 evolution has pushed our capacity for storytelling into overdrive sparking fairy tales adventure stories political allegories utopias dystopias social realist novels and existential meditations Though this influence on literature has been widely studied it has not been explained psychologically This book argues for the adaptive function of storytelling integrates traditional humanist scholarship with current knowledge about the evolved and adapted human mind and calls for literary scholars to reframe their interpretation of the first authors who responded to Darwin
