Lakoff,Raquel Scherr,2022-11-30 First published in 1984 Face Value confronts the pervasive power of beauty through art and
literature as well as interviews with men and women with varying perspectives on the subject The topics covered range
widely the history of beauty from the Greeks to the present the pathology of beauty how women have been willing to harm
themselves mentally and physically to achieve beauty the language we use to speak of beauty and its implications our
attitudes towards beauty as examined by psychologists beauty and ethnic identity men and beauty The authors present in
fact a redefinition of beauty enabling both women and men to enjoy it in themselves and in others while discarding the sex
role stereotypes that have governed the definition of beauty in the past With a new preface that explores the gaps created by
time in the book s discourse this book will be of interest to students of linguistics gender studies women s studies cultural
