Because It Didn't Kill Me:

Ramon Kathi S. Barton, 2022-07-30 Someone wanted Caiti dead Her body had been so riddled with poison that when the fairies removed it it would take the help of CJ and Ramon to save her Ramon was instructed to convert her to vampire or she would die Unsure how his new mate would react when she recovered Ramon enlisted the help of the kiss to protect her Both their survival depended on it **"Please ... Don't Kill Me"** William C. Dear, Carlton Stowers, 2018-02-09 I don't care who you hire or what the company has to pay him so long as he's the best there is This anguished cry from the wife of murder victim Dean Milo would draw private investigator Bill Dear into one of the most frustrating and ultimately triumphant cases of his career Dean Milo was a phenomenally successful businessman who had built a tiny family business into a 50 million a year corporation Along the way he had established a lengthy list of enemies that began with his immediate family and stretched throughout the social and business community His fast track ride to the top came to a violent halt on August 11 1980 when Milo was found dead in his luxurious Ohio home shot twice in the head A blank telegram form lay nearby Four months after his death the investigation remained a confusing collection of non sequiturs Clues pointed toward Milo's involvement with the Mafia the drug world and the gay community His own family refused to cooperate with the authorities And time was ticking by In desperation Maggie Milo turned to Texas private eye Bill Dear This is the gripping story of the remarkable collaboration between Dear and the police detectives of Akron Ohio that led to eleven convictions an Ohio record It is also a tale of the human weakness desperation and overwhelming greed that led to a sudden death Mistry at Dawn Claire Merchant, 2019-03-01 Continue the mystery of Taylor's supernatural life as we discover answers to impossible questions about her fate as a screaming banshee Taylor Mistry yearns for understanding to control her curse and to continue to protect Harper the love of her life Both share the burden of living their life according to the lunar calendar With each full moon Taylor turns into a screaming white woman who guides other supernaturals into the afterlife whilst Harper transforms into a dangerous werewolf Both supernatural creatures reach out to those around them in South Coast to find answers For with knowledge comes power but it seems it is also followed by life altering danger Although Taylor is beginning to accept her fate the twenty two year old is faced with her own mortality sooner than anyone ever imagined Revenge is a powerful weapon sometimes more powerful than the strongest of loves Will such a love be enough to keep Taylor and her supernatural companions out of harm's way Or will she have to make the ultimate sacrifice to keep them all safe **The Forgotten** Patrick C. □□3 qi longpantian,2024-12-10 Just listening to these five people it seems that there is no suspicion and their eyes are very clear and firm and they don't seem to be lying **Sam Bass** Bryan Woolley,2004 The story of Sam Bass both outlaw and romantic figure has become a familiar part of Texas folklore and is well documented in nonfiction But in this novel Bryan Woolley creates a compelling story by giving the antihero fictional life Woolley brings Bass alive through six alternating voices Maude the whore who was Bass's lover Mary Matson the African American who took him in and tended him as he lay dying Dad Egan the lawman who was once a father figure to young Sam Bass but feels compelled to capture the outlaw Frank Johnson who rode with Bass but left the outlaw life to reappear as a small town doctor and Jim Murphy the well meaning saloonkeeper who makes a bargain with the law and brings down Sam Bass In shaping the Bass story Woolley explores the themes of youth and age impulse and wisdom An outlaw for many of us is not a villain or a criminal but someone who by choice or circumstance finds himself at odds with society We see the outlaw life as one of carefree freedom without responsibilities and full of infinite possibilities Frank Jackson says it best as he recalls riding with Sam Bass I felt like an outlaw but not like a criminal and the beauty of the day and its freedom filled me A Ribbon Strand: Raised Hackura

shouldn't have. They hadn't known I was there as they brawled and I had watched from the shadows in terror too petrified to cry out let alone move. They almost left on their merry way but somehow one of them had sensed me and from that moment I became his prey. He said my soul was the ambrosia he had been hunting for and he would savor it someday when he decided to kill me. He burned his demonic mark into my arm to claim my soul and cackled at my pain. Promising me more if I screamed but I refused to give in to death. If anyone sees the mark they'll know I've been claimed by a demon and I'll be executed by the military and my mangled body used as an example of what it means to become inhuman. And I can't remove the unholy mark either as no one had been able to do so since the dawn of time. But I am my father's daughter and I refuse to go quietly. I made a contract with another monster in hopes he'll keep my soul intact and prevent my early demise but in doing so I've sealed my fate. If the mark is found out I'll be executed. If I do nothing then someday that monster will come back and devour me body and soul. But if anyone were to find out that I contracted another fey as my ally then I'll be beheaded for treason to the empire. But I refuse to go quietly. Even if it breaks my soul bit by bit in the end it's still mine and not in the jaws of the monsters who lurk in the night. But in fighting for my life the secrets of my blood are revealed and the true radiance of my soul is blinding everyone around me. Even me.

Make Believe Murder Leslie Langtry, 2019-10-22

From USA Today bestselling author Leslie Langtry comes a former CIA agent turned Girl Scout troop leader and a laugh out loud mystery. Merry Wrath's summer plans didn't originally include an unexpected visit from her old friend Hilly, a quirky CIA assassin who's been forced by HR to take her first vacation in forever. The fact that Hilly chose a small town in Iowa for vacation doesn't bother Merry or her scout troop especially since Hilly's teaching them how to kill a man with one punch but her former handler Riley believes something sinister is afoot. After all Lana, Merry's arch nemesis is sighted all over town and when a Chinese operative ends up murdered in her backyard Merry starts to wonder if Riley is right and Hilly is secretly on the job. It doesn't help that a group of cosplaying teenage druids have targeted Merry for a misguided ritual sacrifice or that Medea Jones, cub reporter constantly harasses Merry seeing the former spy as her Pulitzer Prize winning vehicle out of Who's There Iowa. Merry wonders if her strange friend really is on vacation or if she's after another target. Is it Lana? Was it the Chinese operative? Or is it Merry Wrath?
