fitting to be a theist a believer in a supreme being than to stay agnostic Next I assist the theist into embracing Christianity If there is a God then it makes sense that He would reveal Himself in such a way that we don't have to wander in the dark all our lives Then I cover the thorny question of properly interpreting the Bible I conclude with a satisfying answer to the legitimate question of why an all powerful and all loving God would allow so much evil and suffering in the world Is there evidence for God and Jesus I think you will be surprised
