

A whimsical, painterly illustration of a globe. The globe is tilted, showing different parts of the world. On the left, a red dragon with a human-like face is breathing fire. A small boat with a sail is on the water. In the center, a person is riding a donkey. On the right, a person in a green hat and red pants is running. A blue cat is also visible. The background features stylized trees, mountains, and a sky with clouds and butterflies. The overall style is dreamlike and colorful.

Michael Jackson Shawn Henning,2010-06 Shawn Henning s new book is a powerful and overwhelming tribute and legacy to Michael Jackson In one book he s collected love letters reflections eulogies poems essays and drawings from people throughout the world who have a special appreciation for the King of Pop Michael Jackson I was particularly impressed at the diversity of material from so many different countries and cultures ndash all of it heartfelt and illuminating In *We Love You* More we learn about the many different ways that Michael Jackson affected people from all walks of life The participants talk

about how Michael's music creativity and public example affected their lives and helped them to be better people. The contributions are a wonderful cathartic output to help to come to terms with the loss of Michael's huge talent. They will not only comfort those who have written them but those who read them. People will learn about the experiences they have in common with people throughout the world who followed Michael's career: his music, his good deeds, and the example he set for this generation and generations to come. The book will also be of comfort to Michael's own family. They will see that the spirit of Michael will continue in people everywhere and in many ways and for many reasons. It's also fascinating to learn what people have to say about different songs and what they meant to their lives. I'm impressed by the diverse elements in the book from eulogies to memories to poems and beautiful drawings and paintings and even photo montages at the end. Mr. Henning, you've done a wonderful service to the Michael Jackson fan community and I commend you. Sincerely yours, Larry Nimmer

In the Eye of the Storm V. Gene Robinson, 2008 In 2003 Gene Robinson was elected as the Bishop of New Hampshire the first openly gay man to be called to serve in such a position. Clearly beloved in his diocese and chosen from a wide selection of candidates the election was entirely proper and the result clear cut yet it sparked a hurricane storm of controversy that has polarised religious opinion on five continents and still rages five years on. Here Gene Robinson reflects on his journey of faith, his life experiences, the concerns that matter most to him as a bishop and the controversy that has rocked the church he loves and to which he is committed.
