Be A Man Becoming The Man God Created You To Be:

Be a Man! Larry Richards, 2009-09-15 Men are rediscovering the importance of the spiritual life And Father Larry Richards is helping them do it While some writers apply a one size fits all approach to the Christian life Father Richards draws on his many years of ministry and his own experience as a man to inspire other men as men In Be a Man he recounts his struggles to learn true manhood as well as the inspiring stories of others he has served in his decades as a priest He tells men how to focus on the right goal how to live as a beloved son of God of the need to acknowledge one's faults and to live according to the Holy Spirit to be a man of true love and of wisdom to appreciate properly the differences between men and women to pursue holiness and to make a difference in the world Not preachy but direct Father Richards challenges men to be strong without putting on a mask of false strength or machismo He calls men to admit their weaknesses and limitations while urging them to find strength in faith and genuine love to overcome their sins and faults Although a celibate priest he minces no words when it comes to the place of sexuality for the unmarried man as well as for the married man He shows that true manliness is not opposed to love but thrives on it Father Richards stresses that a relationship with Christ reveals the meaning of a man's life and his identity as a man He inspires men to become the true heroes they long to be men of authentic courage compassion and integrity This is a highly readable book for men by a man who knows how to talk to men about the things that matter most

Becoming a Man... God's Way Andrew Ash, 2009-03-01 What does a guy have to do to become a mature man or a man full of manliness If you ask society what the key ingredients are they'll tell you that you need larger muscles a nicer car fashionable clothes an abrasive demeanor and the list keeps going But do the things on society's list really change the man inside Do they really bring about a means to draw people to him and to help him mature In recent times young men have followed society's formula which leads them to constantly strive for bigger and better things but often times their efforts are in the wrong areas of their life Society works on the outside of the man but God works on the inside God left the blueprints of a perfect man after which we can pattern our lives In these blueprints that are found in His Word we can learn the truths on Becoming a Man God's Way

Behold the Man Harold Burke-Sivers, 2015-09-22 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man's experience of Christ and help him to know the Lord more intimately

Complete Restoration Dennis J. Smith-Holmes,2016-02-29 Failure can be a fracturing dilemma or a giving way under stress which is a little more defining in how we all relate to failure as human beings and how failure affects our state of being happy and successful in life Success in my highest regards isnt a state of what we are able to do when everything in life is functioning according to normality but what we are able to produce when we are forced to produce against the normal circumstances in our lives Winston Churchill once quoted that Success is walking from failure to failure with no loss of enthusiasm The object of this literature is to help completely restore the hearts of men and women throughout the world and spark within the mind the fact that no matter what circumstances may look like or how difficult the road may seem to achieve your ultimate goal YOU ARE NOT A FAILURE
