H. Maxwell,2013-07-17 We are constantly immersed in stories from television news to films novels and TV programs The inspiring real life story told in *Be Courteous or Religion the True Refiner* is a story of faith hope and love stories of challenges

overcome as well as small unexpected moments of grace More importantly this inspiring and timeless true story is about you and about people like you People who have discovered how to live their lives with more hope and joy and through their stories and experiences have helped others to do the same The story itself is but a disconnected diary of one who early refined from earthly dross lived only long enough to show us that there was both reason and divine authority in the words of an apostle when he exhorted Christians to Be Courteous It is said too that the pious charitable old lady Mrs Lindsay and her good daughter Martha now living at Appledale were once very thoughtless fashionable people that the gentle amiable Mrs Boyd was when a girl and living with her grandparents one of the rudest and most reckless creatures living that Susan and Margaret Sliver now earnest efficient co operators in every good cause were once vain frivolous and almost hopelessly sentimental Many such things are said but there are but few who trace the changes that have taken place in those characters to their proper cause We think however that if these persons could express what their secret hearts feel they would ascribe the changes they have experienced to the grace of God first influencing them through the medium of simple Christian courtesy
