paranormal near my home in Brooklyn where I met Rosalyn and several others Within weeks we were meeting informally to speak with what they insisted were entities from another plane of existence I watched as things no one could have known were revealed and events we were told would happen actually did Supplemented by a flood of coincidences in my everyday life so pronounced and consistent with the messages that only a fool could dismiss them my belief grew Soon we started receiving messages saying that Rosalyn and I had been chosen to bring the incredible knowledge of life and death heaven and Earth and man and God to the world through several books that I would write the first of which would become Enoch and The Book of Coincidences But by the first book s conclusion many unanswered questions remained How could Rosalyn and myself have inadvertently changed the course of history What exactly was the mysterious revelation we supposedly experienced on a lonely road nearly 20 centuries ago Why would God if that s Who it was select the two of us for any kind of mission at all when Rosalyn was only moderately religious and I was an outright agnostic And if the real historical Jesus was the first of two prophesied messiahs as they were telling us where was the second the true Son of David who according to ancient legend will battle the forces of evil usher in the Apocalypse and ultimately help bring about man s final redemption The final entry in Enoch and The Book of Coincidences was made on August 10 1987 This book begins one day earlier
