Paper Bones Sherry Rentschler,2013-07 Who says poetry has to be boring Why can t poetry be an adventure where you discover heartbreak and happy endings as well as sorrow and emotional drama Who says poetry has to be dull and archaic instead of thrilling or even funny Adventures await in this poetry collection filled with stories and tales of humorous moments chilling anecdotes and sorrows to break the heart Experience poetry as voyeur culprit victim and coach Examine the teenager who barterers her soul just to get by or the woman who runs away from an abuser or the abused who sadly never made it out Laugh with the inexperienced young lovers or sigh with profound joy shared between old married couples Rage at apathy sneer at ineptitude then meet a living nightmare Finally stand proudly beside sacrifice and honor Within these pages the familiar unfolds in fresh poetic rhythms with unique viewpoints Far from boring this is poetry for everyone With luck the verses will etch themselves in your heart and live forever in the bone

Imagery, Ritual, and Birth Anna M. Hennessey, 2018-12-11 Every human being is born and has gone through a process of birth Yet the topic of birth remains deeply underrepresented in the humanities overshadowed by a scholarly focus on death This book explores how imagery is used ritualistically in religious secular and nonreligious ways during birth through analysis of a wide variety of art iconography poetry and material culture Objects central to the book s study include religious figurines paintings about birth and other items representative of pregnancy crowning or giving birth that have an historical or original meaning connected to religion Contemporary artists are also creating new art in which they represent birth and mothering as nonreligious events that are sacred or divine Framed through the concept of social ontology which examines the nature of the social world and studies how people create meaning out of the various objects images and processes that make up human social life the book theorizes a social ontology of birth focusing on how the meaning of imagery undergoes metamorphosis between the spheres of religion secularity nonreligion and the sacred when used during birth as a rite of passage Included in the study are more than thirty images of birth some of which have never been written about before
