Bearobics A Hip Hop Counting Story:

Bearobics Victoria Parker,1997 A bear leads the other forest animals in aerobic exercises *Bearobics: A Hip-Hop Counting Story* ,1996 **The Hip-Hop Education Guidebook Volume 1** Marcella Runell,Martha Diaz,2007 How can we utilize the energy and creativity of Hip Hop music and culture to make schools and classrooms more engaging The H2Ed Guidebook provides answers The H2Ed Guidebook addresses the tenets of a critical Hip Hop pedagogy framing the issues of concern and strength within Hip Hop culture by providing in depth analysis from parents teachers and scholars And most importantly the H2Ed Guidebook offers an array of innovative interdisciplinary standards referenced lessons written by teachers for teachers StoryCraft Martha Seif Simpson,Lynne Perrigo,2015-11-17 While storytelling is a great favorite of preschoolers many elementary age children are more drawn to crafts and other activities StoryCraft is an award winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades Each one hour program includes storytelling a craft movement activities music and discussion This collection of StoryCraft programs presents 50 fun and educational theme based sessions Each includes suggestions for promotion music crafts activities and stories The sessions also include bibliographies to help direct young readers toward additional reading as well as diagrams detailed instructions and supply lists for the crafts The themes range from a Jungle Safari to Math Mayhem to a Western Roundup all encouraging children to enjoy reading in a variety of ways Each session has plenty of suggestions so that the program can be customized Helpful Hints for implementing the program can help any librarian volunteer or parent turn a ho hum storytime into a dazzling StoryCraft time *Planning for Learning through Numbers* Jenni Clarke,2012-08-02 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of numbers The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of numbers Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children s topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include finding numbers outdoors musical numbers cooking with numbers arty numbers shopping with numbers and we love numbers This book is a great way to bring numbers and early problem solving and numeracy skills into all areas of the curriculum so children learn about them in a fun and unpressured way

Through the Eyes of a Child Donna E. Norton,Sandra E. Norton,Amy A. McClure,2003 In its seventh edition *Through the Eyes of a Child* An Introduction to Children s Literature continues to be a visually stunning theoretically sound comprehensive overview of children s literature It focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature This edition features multicultural literature and

young adult literature in every chapter expanded coverage of biographies and informational books and over 100 new children's titles referenced throughout A children's literature CD ROM accompanies the book and contains bibliographic information for thousands of titles making it even easier to share quality literature with children and adolescents Toddler Storytimes II Dianne Briggs, 2008-08-28 Research on early childhood brain development clearly shows the importance of storytime for toddlers Toddler programs set the stage for the development of increased attention spans superior language development and a love of literature and libraries The repetition of fingerplays songs and stories further enhance a child's cognitive development Toddler Storytimes II is a source for books games fingerplays puppet ideas crafts and other activities that make up a successful storytime Each of the 25 themed programs presented contains approximately ten carefully chosen books providing everything a librarian teacher or parent would need to plan storytimes Also included are flannel board stories poems and songs with full size reproducible patterns at the end of each section A bibliography and discography are provided as well Easy to use and practical this book will inspire any reader to put on wonderful creative programs children will love

Let's Read! Elizabeth Crosby Stull, 2000 This unique resource helps educators spark young children's interest in learning the alphabet and develop beginning reading skills right from the beginning to the close of school Included are over 500 ready to use individual and classroom activities designed to be used sequentially from one month to the next to build skills relate reading to other curriculum areas and foster children's enthusiasm for books and learning to read All activities are organized into nine monthly sections September through May June and include over 100 activity sheets Each month includes a list of 10 picture books for daily reading phonics and other basic skills instructions ABC Marching Band Letters for learning letter sound connections reading links to holidays and special events reading links to writing math social studies science health author of the month studies and activities plus 10-13 illustrated reproducible activities Parent Behavior Change in Developing Literacy Skills in Young Children Meagan Katherine Shedd, 2005 *The Publishers Weekly*, 1997 **Storytime Action!** Jennifer Bromann, Jennifer Bromann-Bender, 2003 A reference book that helps one find books with summaries and suggested activities which take the elements directly from the story *A Celebration of Literature and Response* Marjorie R. Hancock, 2004 Reinforced by teachers' experiences in actual classrooms this book provides a wealth of ideas for projects readings and response based activities that will engage all learners in the joy of reading and responding to literature It blends an appreciation of children's books across all genres with an emphasis on meaningful instructional strategies for literacy programs Coverage of multicultural international literature helps illustrate the universality of themes in children's literature providing a basis for establishing a library of literature that expresses the totality of children's experiences and speaks to children from all cultures and backgrounds Coverage is based on Louise Rosenblatt's transactional theory of reader response and organized around five main celebrations that the author uses as a framework for uniting the findings of reader response theory with quality children's literature and exemplary reflective literature based practice Includes expanded

coverage on multicultural international literature including numerous examples of children's literature written and published in other countries Includes extensive coverage of reader responses to literature oral and written responses as well as those made through the visual arts For teachers of Children's Literature Introduces future teachers to the full range of children's responses to literature encourages the use of a variety of strategies to elicit authentic heartfelt meaningful responses from pupils An appendix on children's literature awards Highlights exemplary children's literature across all genres focuses students attention on established standards and offers guidance for choosing literature that meets such standards
