## **Beatles 1962 66 Stories Behind The Songs:**

The Beatles Steve Turner, 2009 Provides the back story on Beatles songs on their albums released between 1962 and 1966 Based on the author's A Hard Day's Write **The Beatles** Steve Turner, 2010 Based on Steve Turner's highly acclaimed A Hard Day's Write which has sold over 300 000 copies around the world this Stories Behind the Songs Volume covers the Beatles entire recording career Who was just seventeen and made Paul's heart go boom Was there really an Eleanor Rigby What was the inspiration for Lucy in the Sky with Diamonds Turner shatters many well worn myths and adds a new dimension to the Fab Four's rich legacy by investigating the events immortalised in the songs that took four boys from Liverpool to the top of the charts around the world From their first hit Love Me Do and first album Please Please Me this is the story behind every Beatles song including the Live At The BBC and Anthology 1 3 albums providing a comprehensive and hugely entertaining insight into the music of the world's most influential band The Beatles and the Beatlesque: A Crossdisciplinary Analysis of Sound Production and Stylistic Impact Dario Martinelli, Paolo Bucciarelli, 2023-07-30 The Beatles and the Beatlesque address a paradox emanating from The Beatles music through a cross disciplinary hybrid of reflections drawing from both musical practice itself and academic research Indeed despite their extreme stylistic variety The Beatles songs seem to always bear a distinctive identity that emerges even more in similar works by other artists whether they are merely inspired derivative or explicitly paying homage The authors a musicologist and music producer emphasize the importance of record production in The Beatles music in a way that does justice not only to the final artifacts the released songs but also to the creative process itself i.e. the songs in the making Through an investigation into the work of George Martin and his team as well as The Beatles themselves this text sheds light on the role of the studio in shaping the group's eclectic but unique sound The chapters address what makes a song Beatlesque to what extent production choices are responsible for developing a style production being understood not as a mere set of technicalities but also in a more conceptual way as well as the aesthetics semiotics and philosophy that animated studio activity The outcome is a book that will appeal to both students and researchers as well as of course musicophiles of all kinds Rock Music, Authority and Western Culture, 1964-1980 James A. Cosby, 2024-02-07 The history of rock and roll music can be seen in a long arc of Western civilization's struggle for both greater individual expression and societal stability In the 1960s the West's relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years important truths unfold in the stories of British Invaders hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater

individuality and social stability may be better reconciled moving forward      *And the Hits Just Keep On Comin'* Peter E.
