Beautiful Creatures Big Cats That Roar:

Big Cats Sabine Wood, 2021-03-05 Lions leopards and jaguars are closely related while the snow leopard and tiger are sister species Despite enormous differences in size these various species of big cats are all fairly similar in both structure and behaviors Only the cheetah not technically a big cat is significantly different The only large cats that roar are the big four comprising lions tigers jaguars and leopards Although still termed as big cats the other species don't have the capability to make such impressive statements Habitats for these impressive carnivores vary from Asia Africa and Iran to North and South America and Europe The main threat to their existence is man due to poaching and the destruction of natural habitats and across much of the globe these beautiful creatures are protected through conservation This is especially true of the Masai Mara in Kenya and Tanzania's Serengeti which host huge populations of lions leopards and cheetahs Significant measures have been implemented by the likes of the Captive Wildlife Safety Act CWSA and the World Wildlife Fund WWF to protect these species and any hybrid species that occur through big cat breeding to further deter black market activities This book takes a look at all the big cats and uncovers their secrets from habitats to anatomy feeding and long term survival to rearing their young and everything in between

Roaring Giants: The World Of Big Cats Nicky Huys, 2024-03-09 *Roaring Giants* The World of Big Cats offers a captivating journey into the fascinating realm of these magnificent creatures Through stunning photography and insightful narratives this book delves into the lives of lions tigers leopards and other big cats shedding light on their behavior habitats and the challenges they face in the wild From the savannahs of Africa to the dense jungles of Asia this immersive exploration celebrates the beauty and power of these iconic predators while highlighting the urgent need for their conservation A compelling blend of wildlife photography and in depth information *Roaring Giants* is a tribute to the awe inspiring world of big cats and a call to action for their protection
