**The Unknown God** Deirdre Carabine, 2015-01-26 This book contains a careful thorough and where necessary skeptical as regards doubtful evidence especially in the case of Plato and the Old Academy of the beginnings in European thought of the negative or apophatic way of thinking and its relations to more positive or kataphatic ways of thinking about God One of its greatest strengths perhaps the greatest is that the author makes clear that none of the persons concerned Hellenic Jewish or Christian was engaged in the pursuit of a philosophical abstraction or the heaping of rhetorical superlatives on God They were rather concerned to present the origin of the universe as an intimately present living reality which infinitely transcends our thought and speech This combined with careful attention to the varieties of negative theology and its relations with positive and the particular difficulties experienced by the members of the various traditions involved makes the book the best introduction to the negative theology available A H Armstrong Emeritus Professor of Greek University of Liverpool England Emeritus Professor of Classics Dalhousie University Halifax Nova Scotia Canada Senior Fellow of the British Academy Irish academic Deirdre Carabine has lived and taught in Uganda for more than twenty years She has recently been founder Vice Chancellor at the Virtual University of Uganda VUU the first fully online university in Sub Saharan Africa Prior to that she set up International Health Sciences University in Kampala She has taught at Queen s Belfast University College Dublin and Uganda Martyrs University Currently she is Director of Programmes at VUU She attended the Queen s University of Belfast where she graduated with a PhD in philosophy and University College Dublin where as one of the first Newman Scholars she gained a second PhD in Classics She is also author of John Scottus Eriugena in the Great Medieval Thinkers Series 2000

**The Unknown God** Martin P. Starr, 2003-11-01 The first documentary study

of Aleister Crowley's contemporary followers in North America told through the life of their de facto leader Wilfred Talbot Smith 1885-1957. Smith, Frater 132, the unacknowledged offspring of a prominent English family, emigrated to Canada where he encountered Charles Stansfeld Jones Frater Achad and through him the works of Aleister Crowley, Baphomet, and Therion. Although Crowley and Smith met only once, their twenty-year correspondence proved to be a major link to the few and the faithful attracted to Crowley's work in the USA and Canada. THE UNKNOWN GOD is a fascinating and complex human story intimately interwoven with the lives of most of Crowley's American disciples, including C. F. Russell, Jane Wolfe, Max R. Schneider, Jack Parsons, Louis T. Culling, Frederic Mellinger, and Grady L. McMurtry, as well as occult teachers like H. Spencer Lewis, AMORC, Paul Foster Case, BOTA, and Wayne Walker. OM, Hollywood actors such as John Carradine, and even the founder of the Mattachine Society, Harry Hay. Students of 19th and 20th century esoteric movements, including the Hermetic Order of the Golden Dawn, the Theosophical Society, and the Crowleyan Orders, will find THE UNKNOWN GOD worth reading.

**The Unknown God** Steven Carter, 2020-10-13. There is a very interesting account found in Acts 17:22-23 in which the Apostle Paul was waiting for Silas and Timothy in Athens. While he waited, he was provoked within his spirit when he found the city was given over to idols. Paul addressed the men of Athens by saying, "In all things you are very religious; for as I was passing through and considering the objects of your worship, I even found an altar with this inscription: TO THE UNKNOWN GOD. Therefore the One whom you worship without knowing, Him I proclaim to you. It is startling to know that the men of Athens were religious; they had objects of worship and they had an altar, yet they didn't even know the God of their worship. We know altars to be a place of sacrifice, prayer, and religion, but the question arises: How do you worship whom you don't even know? Even Jesus gives us a glimpse into the importance of knowing Him intimately in Matthew 7:22-23. Many will say to Me in that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonders in Your name?' And then I will declare to them, 'I never knew you; depart from Me, you who practice lawlessness.' NKJV. Note that Jesus's emphasis was not on rituals but rather on relationship. We must ask ourselves today: are we any different from the men of Athens? I'm afraid that week after week we fill edifices with people who don't even know God. Sure, we have objects of worship. We have buildings, instruments, podiums, microphones, lighting, etc., but do we know the God of our worship? With the help of the Holy Spirit, I will declare as the great apostle did to the men of Athens: The Unknown God.

**The Unknown God** Clinton Joseph Hall Sr., 2012-10-11. The Apostle Paul once responded to a group of pagan worshippers in Athens, Greece. One of the altars they worshipped at had an inscription written to THE UNKNOWN GOD. Paul declared, "Whom therefore ye worship in ignorance, him I declare unto you. This glorious God, who created all things, this glorious God with all creation in Him, this God who finished all things before He created all things, this God who chose you in Himself before the foundation of the world, this God who wrote your name in the Book of Life, either before the beginning or at the end or somewhere in between, and who turned the greatest of all gambles into no gamble at all, this Christ who was slain before creation, this Christ

who is the glory of the Father this Christ who is the All who will be and is the All who is in All this Christ who is the beginning and the end this Christ who is free of above and beyond and outside of all space time and even eternity this Christ has a point to make a message to bring to you You will find that message in the pages of The Unknown God This world has a false god Satan the devil whom the Bible says deceives the whole world He appears as an angel of light He is the great counterfeiter What God decrees Satan finds a way to counterfeit Find out the ways he goes about to deceive the world especially most religious people The Bible is largely a book about Israel and the Jews and other people and nations who interact with them Find out why all Jews are Israelites but not all Israelites are Jews Who were they who are they now and what will become of them in the future And how do Gods plans for them relate to his plans for everyone else You will find all of this and more in the pages of The Unknown God Quetzalcoatl D. Jesus Christ was the major study of Paul published in the nineteenth century and it is one of the greatest works of all time on Paul. It lays the basis for modern Pauline scholarship. The first part, *The Life and Activity of the Apostle Paul*, consists of a thoroughgoing deconstruction of the account of Paul found in the Acts of the Apostles. While the author of Acts passed on historical traditions about Paul, he greatly embellished them with stories about the miraculous feats of the apostles and constructed the entire account to show fictitious parallels between the apostles Peter and Paul. The second part, *The Epistles of the Apostle Paul*, is divided into three main sections: the authentic epistles of Paul (Galatians 1 and 2, Corinthians, Romans, the deuterio Pauline epistles Ephesians, Colossians, Philippians, Thessalonians, Philemon, and the Pastoral Epistles 1 and 2 Timothy, Titus). In the first two parts, Baur's historical critical skills are at their finest. The third part, *The Apostle's Theological Framework*, draws the elements of Pauline theology into a magnificent synthesis where the influence of Hegel and Schleiermacher is evident. The earlier English translation is no longer adequate. Our new translation presents a very readable text with critical annotations and translations of all the scriptural passages quoted in Greek. Baur on Paul truly becomes available in English for the first time.
