Evidence **The Ownership of the News** Great Britain. Parliament. House of Lords. Select Committee on Communications,Bernan,2008 ownership of the News 1st report of session 2007 08 Vol 2 Evidence [Social Media at BBC News](#) Valerie Belair-Gagnon,2015-02-11 Since the emergence of social media in the journalistic landscape the BBC has sought to produce reporting more connected to its audience while retaining its authority as a public broadcaster in crisis reporting Using empirical analysis of crisis news production at the BBC this book shows that the emergence of social media at the BBC and the need to manage this kind of material led to a new media logic in which tech savvy journalists take on a new centrality in the newsroom In this changed context the politico economic and socio cultural logic have led to a more connected newsroom involving this new breed of journalists and BBC audience This examination of news production events shows that in the midst of transformations in journalistic practices and norms including newsgathering sourcing distribution and impartiality the BBC has reasserted its authority as a public broadcaster Click here for a short video about the book

BBC Women Reporting the World Colleen Murrell,2025-08-06 This book explores the changing experiences and roles of the BBC s female journalists Featuring original interview content the book focuses on the careers of female foreign correspondents from Kate Adie to Shaimaa Khalil It begins by examining the power structures and gender based assumptions widespread in the BBC from its inception through to the 1970s and 1980s when international reporting opportunities first opened up for women and then charts the changes that took place between the 1980s to the 2020s including the recent controversy surrounding pay inequality Featuring insights and anecdotes from the women themselves it will appeal to a broad range of readers interested in the BBC news journalism and gender while also informing evolving academic debates around public service broadcasting international news flows media practice and issues of gender race class and power in the media industry

Human Rights in the Digital Age Mathias Klang, Andrew Murray, 2016-09-01 The digital age began in 1939 with the construction of the first digital computer In the sixty five years that have followed the influence of digitisation on our everyday lives has grown steadily and today digital technology has a greater influence on our lives than at any time since its development This book examines the role played by digital technology in both the exercise and suppression of human rights The global digital environment has allowed us to reinterpret the concept of universal human rights Discourse on human rights need no longer be limited by national or cultural boundaries and individuals have the ability to create new forms in which to exercise their rights or even to bypass national limitations to rights The defence of such rights is meanwhile under constant assault by the newfound ability of states to both suppress and control individual rights through the application of these same digital technologies This book gathers together an international group of experts working within this rapidly developing area of law and technology and focuses their attention on the specific interaction between human rights and digital technology This is the first work to explore the challenges brought about by digital technology to fundamental freedoms such as privacy freedom of expression access

assembly and dignity It is essential reading for anyone who fears digital technology will lead to the Big Brother state **FCO Performance and Finances 2011-12** Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2013-04-19 The Foreign Affairs Committee publishes a wide ranging report on the work of the Foreign and Commonwealth Office FCO and two of its sponsored bodies the BBC World Service and the British Council It makes key recommendations on language skills for top diplomats BBC World service funding and priorities and funding for the British Council For the FCO the exclusion of foreign language skills and reliance purely on general management competencies creates the risk of credibility in respect of key diplomatic postings The Committee finds it unacceptable that the World Service will not know its budget priorities or objectives before the transition to licence fee funding and the new arrangements for oversight by the BBC Trust from April 2014 The British Council will struggle to deliver the UK s foreign policy objectives if cuts to grant funding from the FCO continue at a similar rate The Committee recommends that the FCO should shield the British Council from the effect of any further cuts to the FCO budget in 2015 16 *Encyclopedia of Journalism* Christopher H.
