innovation and boundless creativity of the fashion design process      Beads of life Marie-Louise Labelle,2005-01-01 Beads of Life is a fascinating exploration of traditional beadwork from eastern and southern Africa as well as the socio religious principles upon which many aesthetic choices were based The author concludes with an examination of contemporary beadwork as seen in particular through the eyes of Canadians from these regions Published in English      Personal Ornaments in Prehistory Emma L. Baysal,2019-08-29 Beads bracelets necklaces pendants and many other ornaments are familiar objects that play a fundamental role in personal expression and communication This book considers how and why the human relationship with ornaments developed and continued over tens of thousands of years from hunter gatherer life in the cave to urban elites from expedient use of natural resources to complex technologies Using evidence from archaeological sites across Turkey the Near East and the Balkans it explores the history of personal ornaments from their appearance in the Palaeolithic until the rise of urban centers in the Early Bronze Age and encompassing technologies ranging from stone cutting to early glazing metallurgy and the roots of glass manufacture The development of theoretical and practical approaches to ornaments and the current state of research are illustrated with a wide variety of examples This book shows that far from being objects of display of little value in archaeological interpretation and often overlooked these artifacts are key to understanding trade relationships values beliefs and the construction of personal identity in the past Indeed more than any other group of artifacts their variety in material form use and distribution opens doors to both wide ranging scientific exploration and consideration of what it is to be human
