Church teaching Organized by the liturgical calendar each season of readings begins with an overview of the season and a brief look at where the readings come from and any unifying messages or themes present throughout the selected readings Scripture Backgrounds for the Sunday Lectionary Year C is written by a team of writers with a broad range of theological pastoral and catechetical experience Their reflections offer homilists a solid foundation from which to begin the process of preparing to speak the Word of God to their assemblies Lectionary Texts, Year C Church Publishing, Church Publishing, Incorporated, 2000 All eucharistic readings edited for liturgical use from the Revised Standard Version translation of the Bible The paper bound pew edition fits into the standard pew rack 284 pp *Preaching the New Lectionary* Dianne Bergant, Richard N. Fragomeni, 1999 The Lectionary is made up of selected passages from the Bible placed within a literary and liturgical context This new context calls for a consideration of the liturgical character and setting of the Lectionary readings *Preaching the New Lectionary Year A* offers readers that interpretation *Preaching the New Lectionary* is unique First it employs a literary liturgical way of interpreting all the readings of each Sunday and major feast of the liturgical year including the often overlooked responsorial psalm Second it explicitly situates the interpretation of each day within the theology of its respective liturgical season This theology is drawn from the specific themes of the readings that comprise that particular year rather than from more general themes associated with the season The meaning of the entire season becomes the context for understanding the individual parts of it Third the lections are also read in sequential order from the first Sunday of that season to the last This reading interprets the function of the literary forms thus providing yet another way of interpreting the riches of the readings This way of reading and understanding the Lectionary has potential for many forms of liturgical ministry It can quicken the religious imagination of homilists thus providing fresh new possibilities for liturgical preaching It offers creative insights for those involved in the liturgical preparation for the celebration of feasts and seasons It can also act as a valuable resource for liturgical catechesis The material in *Preaching the New Lectionary* contributes toward enhancing the liturgical lives of the faithful Dianne Bergant CSA is Professor of Old Testament studies at Catholic Theological Union in Chicago The general editor of *The Collegeville Bible Commentary Old Testament* published by The Liturgical Press she was editor of *The Bible Today* from 1986 1990 Richard N.
