War Soul Transformation Shao Guangxian, 2019-11-08 Heaven gave birth to Yin and Yang. Yin and Yang gave birth to dragons and phoenixes and a hundred and eight bloodlines were born under the Dragon Phoenix Supreme Bloodline. These bloodlines were divided into thirty-six Sky Dipper Bloodlines and seventy-two Earth Terminus Bloodlines. The Sky Demon race from another plane had attempted to rule the Beast Soul Continent and launched three wars of aggression. At the same time, three Soul Saints had appeared on the Beast Soul Continent leading the group in a successful defense. These three soul saints were the spirit race saints, the demon race saints, and the human race saints. The fourth war of Sky Demons was secretly launched. Half-step Soul Holy Phoenix from the Beast Soul Continent resisted the Heavenly Demon Clan alone. Being bewitched by the Heavenly Demon, she did not hesitate to fuse with the souls of the three spirit demon races.

Memories of Lazarus Adonias Filho, 2013-03-22 These are the recollections of Alexandre of his life, his death, in life and his ultimate death as they are played out against the mobile tapestry of the valley where he was born. The valley itself, in the backlands of the state of Bahia, Brazil, alternates at different stages in Alexandre's consciousness between reality and symbol. It swings from a harsh regional specificity to become the panorama of all human life: its endless eroding wind, the devouring hostility of all environments, and its pain, the pain of every human being in the face of his own brutality and that of others. Throughout the novel, Alexandre's mind ranges from sharp awareness through hallucination to oblivion: a man dies while alive, says Jeronimo, his mentor, and back again as he experiences the violent, obtuse phenomena of life in the valley: his universe and ours. This latter day Lazarus leaves the resisting hills and black sky once only hounded by the valley dwellers who believe he has murdered his wife, her father, and her brother. Yet despite his awareness of the horror of the valley and his intuition of something beyond it, it is precisely his contact with the gentler existence to which he escapes that forces Alexandre to recognize his nature for what it is. Turning his back on a greater and more varied range of feeling and experience, he chooses the narrow ferocity of the valley to which he returns to die the final death for which the earlier deaths have prepared him.
