**Topical Bible Studies** David Lendway, 2019-08-19 This book is Volume 2 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader's ability to remember precisely where each of these topics appears in the Bible's book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn't matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God's Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

the implications of choosing love over power when it comes to the global community's most pressing issues: environmental degradation, economic inequality, and instability and perpetual war. Dr. Campolo suggests that the choice between love and power begins close to home. Christ followers who choose love over power in marriage and in parenting will likewise opt for love in their churches, communities, and governments. The growing number of believers seeking a more authentically Christlike way to be Christian in a diverse pluralistic society will be challenged and encouraged by this unflinching look at Jesus's example of love.

**The Bible Says So!** Edwin D. Freed, Jane F. Roberts, 2014-12-05

Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours? Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action. *The Bible Says So* examines the origins of well-known biblical stories from Adam and Eve, the Flood, and the Tower of Babel to the birth of Jesus, his resurrection, and the writings of St. Paul. The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars. *The Bible Says So* explores the original intentions of the biblical writers in their particular context and examines key biblical values. The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today.

*Understanding Children's Spirituality* Kevin E. Lawson, 2012-03-22

How important is childhood in the spiritual formation of a person? How do children experience God in the context of their lives as they grow? What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him? How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ? These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives. In this book, over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents, church leaders, and others who care about children can promote their spiritual formation.

*Bible Study Guide for Churches, Small House Fellowships, and Discussion Groups* Richard Sogunle, 2022-08-01

In my many years of attending Bible study, I have found that many who attend barely grow beyond the level of being fed the word of God. Many are stocked in the level of milk without the capacity to handle the solid word of God. The aptitude and zeal to understand and rightly share the word of God is absent in the greater percentage of church attendees today. Every good shepherd desires that their flocks grow in their spiritual muscle and be able to stand anywhere and anytime on their faith feet without being tossed to and fro with every wind of doctrine. However, due to various environmental and organizational challenges, a small group Bible study setting may be lacking in many churches. The members may attend worship services on Sunday and other times and listen to the pastor's sermon day after day but never have the opportunity to contribute their God-given ideas or ask questions that could strengthen their courage to share their faith with understanding. This book is designed to challenge believers in reading a passage of the scripture and equip them with spiritual warfare weapons in memory verse during each Bible study session. The individual will have the opportunity to

learn and discuss the weekly topic and questions that follow every introduction to the topic The study guide is simply arranged to enable any believer or group of believers and families to use in any Bible study group setting The study guide discusses various topics with supporting scriptural references to equip participants with practical knowledge and applications to their daily Christian living Bible Study Guide for Churches Small House Fellowships and Discussion Groups is a must have handbook for pastors leaders of various Christian fellowship groups and believers that will love to grow in their Christian walk
