Italia 90 was the best and worst of World Cups It made a global star of England's inspirational Paul Gascoigne and gave fresh confidence to English football but it was also the lowest scoring of all World Cups leading directly to the back pass ban that transformed the sport World In Motion travels from Africa to South America via Europe and the Middle East to hear from the protagonists of Italia 90 and find out why it is still seen as a special and transformative moment not just in English eyes but in other countries far and wide It was a World Cup of firsts from Cameroon's quarter final trail blazers via the feats of newcomers like the Republic of Ireland and Costa Rica but a tournament too which marked the last hurrah of the old footballing powers of the Eastern Bloc amid the collapse of the Iron Curtain It began with the biggest shock of any opening game as nine man Cameroon beat Argentina and it ended with the worst final of all as West Germany beat nine man Argentina with a much disputed penalty In between it gave us a big spectacle a winning soundtrack and some unforgettable storylines World In Motion speaks to players and coaches referees and administrators reporters and fans to gauge the full impact of football's dramatic Italian summer including meeting Roger Milla at his home in Cameroon and Toto Schillaci at his football school in Sicily In the process it rediscovers a time when the game stood on the brink of change with the Premier League and Champions League on the horizon yet the World Cup remained a thrilling voyage of discovery a land of novelties from Fair Play flags to fan embassies to that first ever penalty shoot out heartbreak for England [The Men Who Killed the News](#) Eric Beecher, 2024-07-31

Married... With Children vs. the World Richard Gurman,2024-04-23 A rollicking account of the groundbreaking show from one of the show s producers featuring the voices of the stars creators and executives involved with bringing it to life I had the pleasure of working with Richard Gurman for eleven years When he sent me his new book *Married With Children vs the World* I figured it would be a trip down memory lane So I was stunned by some revelations I never knew And reminded how brilliant much of the writing was What a time that was If you liked *Married With Children* then you should read this book You re in for a treat Ed O Neill *Married With Children* burst onto the airwaves with a full frontal attack on the myth of domestic tranquility depicted in family comedies since the dawn of TV The outlier series created by two rebellious writers given carte blanche from a fledgling FOX became one of the longest running live action sitcoms in television history and forever changed the way married life was portrayed on the very networks it so scathingly satirized But it was far from smooth sailing as the creators bucked up against Barry Diller then CEO of FOX on everything from casting to content and then butted heads with network standards as they sought to shatter traditional broadcast norms Reading *Married With Children vs the World* jolted me right back into the mindset where our little show was the rock n roll of sitcoms fighting to get heard in an easy listening world Richard Gurman who was there for the whole ride digs deep into the joys and frustrations of the entire experience and turns it up loud Katey Sagal *Married With Children* writer producer Richard Gurman takes us behind the scenes of this boundary breaking show to reveal how its inner workings were at times as disruptive and contentious yet at other times as hysterical and raunchy as the Bundy family themselves Featuring exclusive interviews with the cast including Ed O Neill and Katey Sagal media moguls network executives writers directors critics and even the woman who was so offended by one episode she launched a sponsor boycott that almost got the series canceled *Married With Children vs the World* celebrates the rebellious satirical vision of the show and the battle to keep it alive that paved the way for the tremendous diversity in family comedy style we see today Not only is this an accurate chronicle of both families on either side of the camera but what should also serve as a valuable lesson of never giving up on a dream Michael G Moyer Co Creator I had almost as much fun reading *Married with Children vs the World* as I had working on the show Almost Richard Gurman chronicles from his vantage point inside the writers room and the sound booth how we broke the china in the family sitcom kitchen and upended the television industry by doing so What could be more fun than that David Garrison
