Bbc News Joseph Stalin:

In the Mind of Stalin James Greensmith, 2023-04-06 On 1 October 1939 Winston Churchill First Lord of the Admiralty and soon to be the UK's wartime leader described Russia as a riddle wrapped in a mystery inside an enigma The same can certainly be said of Stalin How can this paradox of a man who on the one hand had once exhibited great tenderness and kindness to his daughter Svetlana and on the other sent millions including members of his own family to their deaths be explained It is impossible to quantify the total number of deaths attributable to the policies of Stalin but the Excess Mortality i.e. deaths over and above what would normally have been expected during the period in question gives an approximate figure in excess of 40 million However this is only part of the story of the amount of misery inflicted by the Stalin regime through torture deliberate starvation neglect separation from loved ones cold and hypothermia e.g. in the prisons of Siberia which is unquantifiable and unimaginable Svetlana confessed that she would never undertake to explain what motivated all my father's actions simply because I do not possess the psychological genius of Russian novelist Dostoevsky who knew how to penetrate into another man's soul and examine it from within

Stalin's Great Purge Noah Berlatsky, 2012-10-05 This book provides historical background on Stalin's purges and explores controversies surrounding the purges It offers first hand accounts from those who experienced the effects of Stalin's purges One account describes a Ukrainian childhood during the famine while another essayist recalls childhood under Stalin's terror Nikita Khrushchev decries Stalin and the purges A young Russian woman remembers the Gulag Your readers will be forever changed by this compelling book

Hitler's and Stalin's Misuse of Science S. D. Tucker, 2023-12-30 S D Tucker delves into the Nazi and Soviet historical hijacking of science by extreme ideologies revealing the dangerous consequences of pseudoscientific narratives in today's world In today's world science itself which we are constantly being told is a neutral vehicle for wholly objective ideas and theories is increasingly being hijacked and abused by the toxic modern cult of identity politics of both left and right But should we be too surprised by any of this No because this exact same sorry process has happened time and again before under the rule of totalitarian political cults like the Nazis and the Soviets both of which vigorously promoted various pseudoscientific theories of Aryan Science and Marxist Science on the sole grounds that they were ideologically correct as opposed to being factually so Nazi racial pseudoscience and belief in nonsense like the World Ice Theory which claimed that stars did not really exist and were actually just reflections of the sun off giant floating space icebergs were widely encouraged in the Third Reich and used for long term military weather forecasting purposes Likewise the ideas of the renegade biologist Trofim Lysenko who developed a deluded anti capitalist theory of genetics opposed to Darwin's were responsible for widespread famine in the USSR when Stalin allowed him to apply them practically towards the nation's crop harvests Those academics and functionaries who disputed these clearly false pseudoscientific notions often found themselves in deep trouble or ultimately dead In this incisive and challenging study author S D Tucker explores the often weird and fanciful theories that were proposed and took hold

under these extreme regimes and in doing so sends a word of warning to the modern world of the internet and social media where similar bizarre ideas are expounded and consumed with frightening gullibility Everywhere from Western universities schools and hospitals to Vladimir Putin s Russia absurd stories of sexist glaciers racist gravity socialist trees and NATO backed mutant extra terrestrial potatoes are being promoted as items of politically mandated scientific fact by compliant collaborators and credulous social media followers Pseudoscientific narratives are even now used to justify the 2022 invasion of Ukraine much as they were once used to justify the Nazi conquest of Europe or the spread of Communist revolution across the globe *Disintegration: Bad Love, Collective Suicide, and the Idols of Imperial Twilight* Mark P. Worrell,2020-02-17

Together again for the first time Marx and Durkheim join forces in the pages of *Disintegration Bad Love Collective Suicide and the Idols of Imperial Twilight* for a dialectical exploration of the moral economy of neoliberalism animated as it is not only by the capitalist chase for surplus value but also by an immortal vortex of sacred powers Classical sociology and psychoanalysis are reconstituted within Hegelian social ontology and dialectical method that differentiates between the ephemeral and free and the eternal and fixed aspects of modern life BBC World Service Gordon Johnston,Emma Robertson,2019-11-14 This book is the first full length history of the BBC World Service from its interwar launch as short wave radio broadcasts for the British Empire to its twenty first century incarnation as the multi media global platform of the British Broadcasting Corporation The book provides insights into the BBC s working relationship with the Foreign Office the early years of the Empire Service and the role of the BBC during the Second World War In following the voice of the BBC through the Cold War and the contraction of the British empire the book argues that debates about the work and purposes of the World Service have always involved deliberations about the future of the UK and its place in the world In current times these debates have been shaped by the British government s commitment to leave the European Union and the centrifugal currents in British politics which in the longer term threaten the integrity of the United Kingdom Through a detailed exploration of its past the bookposes questions about the World Service s possible future and argues that for the BBC the question is not only what it means to be a global broadcaster as we enter the third decade of the twenty first century but what it means to be a national broadcaster in a divided kingdom **Russia** Angela Black,Debbie Nevins,Oleg Torchinsky,2015-07-15

CHENG, 2015-07-10 MAO Zedong was a Chinese communist leader and founder of the People's Republic of China He developed his own ideology and methodology known as Maoism or Mao Zedong Thought and his thought has a great influence in China or even overseas This book aims at bringing together a group of scholars to address the uses of Mao in China PRC today with special reference to the Bo Xilai case It also provides insights and detail on how and what we know about modern China Contributing authors including a number of French scholars illustrate how Maoism influences and engages in government business sector or social life This timely volume will be of considerable interest to scholars journalists and those keen to better understand the changing values in China today

Arguing with Socialists Glenn Beck, 2020-04-07 A NEW YORK TIMES BESTSELLER The New York Times bestselling author of The Great Reset arms you to the teeth with information necessary to debunk the socialist arguments that have once again become popular and proves that the free market is the only way to go With his trademark humor Beck lampoons the resurgence of this bankrupt leftist philosophy with thousands of stories facts arguments and easy to understand graphics for anyone who is willing to ask the hard questions He shows that this new shiny socialism is just the same as the old one a costly and dangerous failure that leaves desperation poverty and bodies in its wake **The Long Shadow of World War II**

Matthias Strohn, 2021-08-31 2020 marks 75 years since the end of World War II yet even as the war slips from living memory its legacies continue to influence current political and military thinking This anthology will analyze these legacies for a number of countries and regions including China Russia the United States the Near East and Germany illustrating in detail how World War II is not merely a historical event but a defining moment for current military and political thinking around the globe This book will therefore be of interest for those interested in history but also political and military decision makers and followers of current political and military affairs Conflict in the Nuba Mountains Samuel Totten, Amanda

Grzyb, 2014-11-20 This book provides a comprehensive overview of the embattled Nuba Mountains of South Kordofan where the Government of Sudan committed genocide by attrition in the early 1990s and where violent conflict reignited again in 2011 A range of contributors scholars journalists and activists trace the genesis of the crisis from colonial era neglect to institutionalized insecurity emphasizing the failure of the 2005 Comprehensive Peace Agreement to address the political and social concerns of the Nuba people This volume is essential reading for anyone who wants to understand the nuances of the

contemporary crisis in the Nuba Mountains and explore its potential solutions **Law, Rights and Ideology in Russia** Bill Bowring, 2013-04-17 Law Rights and Ideology in Russia provides a rich examination of Russia's particular attitude to political liberalism the rule of law and rights **The Dancer and the Devil** John E. O'Neill, Sarah C. Wynne, 2022-04-26 Communism must kill what it cannot control So for a century it has killed artists writers musicians and even dancers It kills them secretly using bioweapons and poison to escape accountability Among its victims was Anna Pavlova history's greatest dancer who was said to have God given wings and feet that never touched the ground But she defied Stalin and for that she had to die Her sudden death in Paris in 1931 was a mystery until now The Dancer and the Devil traces Marxism's century long fascination with bioweapons from the Soviets leak of pneumonic plague in 1939 that nearly killed Stalin to leaks of anthrax at Kiev in 1972 and Yekaterinburg in 1979 from the leak of a flu in northeast China in 1977 that killed millions to the catastrophic COVID 19 leak from biolabs in Wuhan China Marxism's dark past must not be a parent to the world's dark future **COMMUNIST CHINA PLAYED WITH FIRE AND THE WORLD IS BURNING** Nearly ten million people have died so far from the mysterious Covid 19 virus These dead follow a long line of thousands of other brave souls stretching back nearly a century who also suffered mysterious natural deaths including dancers writers saints and heroes These honored dead should not be forgotten by amnesiac government trying to avoid inconvenient truth The dead and those who remember and loved them deserve answers to two great questions How Why The Dancer and the Devil answers these questions It tracks a century of Soviet and then Chinese Communist poisons and bioweapons through their development and intentional use on talented artists and heroes like Anna Pavlova Maxim Gorky Raoul Wallenberg and Alexis Navalny It then tracks leaks of bioweapons beginning in Saratov Russia in 1939 and Soviet Yekaterinburg in 1979 through Chinese leaks concluding in the recent concealed leak of the manufactured bioweapon Covid 19 from the military lab in Wuhan China Stalin Putin and Xi perpetrators of these vast crimes against humanity itself should not be allowed to escape responsibility This book assembles the facts on these cowardly murderers calling them to account for their heartless crimes against man concluding in Covid 19

Nation-Building and Identity in the Post-Soviet Space Rico Isaacs, Abel Polese, 2016-04-14 Nation building as a process is never complete and issues related to identity nation state and regime building are recurrent in the post Soviet region This comparative inter disciplinary volume explores how nation building tools emerged and evolved over the last twenty years Featuring in depth case studies from countries throughout the post Soviet space it compares various aspects of nation building and identity formation projects Approaching the issue from a variety of disciplines and geographical areas contributors illustrate chapter by chapter how different state and non state actors utilise traditional instruments of nation construction in new ways while also developing non traditional tools and strategies to provide a contemporary account of how nation formation efforts evolve and diverge IR Theory, Historical Analogy, and Major Power War Hall Gardner, 2018-12-21 This book critically examines elements of America First nationalism neo conservatism neo realism neo

liberalism environmental theories and social constructionism by way of developing an alternative realist approach to the study of the origins of major power war The author critiques concepts of polarity and sovereign decision making and diplomacy before developing the concept of highly uneven polycentrism The book then develops a unique comparative historical approach that seeks to compare and contrast the pre World War I pre World War II and Cold War eras with the contemporary post Cold War period It is argued that the US as it remains the leading global hegemon must fully engage in multilateral diplomacy with major friends and rivals alike in the establishment of differing forms of power sharing and joint sovereignty accords in order to prevent the global system from polarizing into two contending alliances more reminiscent of both the pre World War I and pre World War II periods than the new Cold War

Can't Stop Walking Murphy V. S. Anderson, 2021-04-07 Can't Stop Walking Every Walk Must First Begin with a Step Purpose and Direction is a stunning and incisive nonfictional narrative which critiques some of the cultural traditional and societal issues which impacted and challenged the lives of many Liberians especially the youth who suffered bled and died in their ignorance during the Liberian Civil War This is a book uniquely written to bring the readers mentally closer to some information and experiences that may seem unrealistic but true inconceivable or trivia but factual The book reveals the tireless and unwavering efforts made by two friends bound together in one faith and purpose with a desire to change the mindset of youths who were actively involved in a civil war It discusses how these two friends nonviolently challenged the culture tradition and societal elites of a small town by engaging the youth and elders through the Trinity Plan and helped transform a struggling church threatened by dogmas and traditional practices

The Downfall of America Jake Klausner, 2022-07-20 Far too often people are introduced to a caricature of the conservative movement before they've actually heard what the average conservative has to say In *The Downfall of America* Jake Klausner presents a conservative perspective on the forces currently working to tear down long standing American traditions and institutions The book outlines the ways in which the Left has waged war against traditional American values and even reality itself In an age of emotional appeals it makes the conservative argument using logic and statistics The challenge conveyed to the reader is simple but critical Don't let freedom be extinguished in your lifetime make sure that it's still there for your kids and theirs

Eight Days at Yalta Diana Preston, 2019-10-17 Meticulously researched and vividly written *Eight Days at Yalta* is a remarkable work of intense historical drama In the last winter of the Second World War Winston Churchill Franklin D Roosevelt and Joseph Stalin arrived in the Crimean resort of Yalta Over eight days of bargaining bombast and intermittent bonhomie they decided on the conduct of the final stages of the war against Germany on how a defeated and occupied Germany should be governed on the constitution of the nascent United Nations and on spheres of influence in Eastern Europe the Balkans and Greece Only three months later less than a week after the German surrender Roosevelt was dead and Churchill was writing to the new President Harry S Truman of an iron curtain that was now drawn down upon the Soviets front Diana Preston chronicles eight days that created the post war world

revealing Roosevelt's determination to bring about the dissolution of the British Empire and Churchill's conviction that he and the dying President would run rings round the Soviet premier But Stalin monitored everything they said and made only paper concessions while his territorial ambitions would soon result in the imposition of Communism throughout Eastern Europe

Belarus Patricia Levy, Michael Spilling, Caitlin Tessman, 2018-04-15 Belarus as an official autonomous country only achieved independence in 1991 With its history full of conflict culture and many different rulers this former member of the Soviet Union must now face a future trying to balance influence and values from both the East and the West The people of Belarus have struggled to find a national identity but today they hold strong to their traditions language beliefs lifestyle and culture Readers will learn about historic and modern Belarus through detailed writing captivating photographs engaging sidebars and much more

The Hidden Histories of War Crimes Trials Kevin Heller, Gerry Simpson, 2013-10 Several war crimes trials are well known to scholars but others have received far less attention This book assesses a number of these little studied trials to recognise institutional innovations clarify doctrinal debates and identify their general relevance to the development of international criminal law

Bbc News Joseph Stalin: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
