Student Sex Work Debbie Jones, Teela Sanders, 2022-09-27 This book provides a contemporary collection of key works that chart new and ongoing terrain on student sex work. It brings together experienced researchers, activists, practitioners, early career researchers and those with lived experience of doing sex work in the university setting from across the globe. The book addresses three core areas: Activism, Ideology and Exclusion, Motivations and Experiences, and University Policy, Practice and Service Delivery. This collection represents significant theoretical, methodological and policy and practice contributions within sex work studies. These new perspectives contribute to our existing knowledge, introduce new directions for scholarship and prompt new and exciting questions about how higher education students' participation in sex work can be researched, understood and responded to in an ethical, non-stigmatising approach. The book will be of interest to students, researchers and service providers and, given the interdisciplinary nature of the chapters, the book has a cross-disciplinary appeal.

Sugar Daddy Capitalism Peter Fleming, 2018-11-26 What is the connection between the sleaziness of Harvey Weinstein's business meetings and the passionless doctrine of neoclassical economics? In this witty and incisive examination of the new economy, Peter Fleming argues that they are closer than you might think. The quest to rid society of bureaucracy, shrink government and burn red tape has certainly made capitalism more human, but not in the family-friendly way envisaged by free market gurus. Increasing informality has led to a capitalism fuelled by limitless exploitation and increasingly seedy methods of management: from semi-feudal workplace hazing rituals and predatory middle managers with an axe to grind to arbitrary zero-hour contracts, Uber and perhaps worst of all, the compulsory gym session with your boss. Fleming dubs this Sugar Daddy Capitalism, after the controversial dating app wealthy businessmen use to meet young girls, most of whom are struggling with university fees. What seems like a creepy outlier is actually a prescient metaphor for our whole economy: an anonymous and impersonal cash system that is also intent on getting under your skin extra close and capable of ruining everything if you say no.

Capitalismo Sugar daddy Peter Fleming, 2021-04-29 ¿Hay alguna conexión entre la sordidez de las reuniones de negocios de Harvey Weinstein y la desapasionada doctrina de la economía neoclásica? En este ingenioso e incisivo estudio de la nueva economía, Peter Fleming asegura que tienen más relación de lo que parece. El intento de librar a la sociedad de la burocracia, acotar el papel del gobierno y reducir los trámites burocráticos ha vuelto más humano el capitalismo, pero no del modo favorable para las familias previsto por los gurús del mercado libre. El aumento de la informalidad ha propiciado un capitalismo impulsado por la explotación sin límites y unos métodos de gestión cada vez más sordidos de novatadas semif feudales en los puestos de trabajo y gerentes intermedios depredadores con intereses personales a contratos arbitrarios de cero horas, Uber y quizá lo peor de todo, las obligatorias sesiones de gimnasio con el jefe. Fleming titula su libro con el nombre de la controvertida aplicación de citas que utilizan los hombres de negocios ricos para conocer a chicas jóvenes que en su mayoría tienen problemas para pagar las tasas universitarias. Lo que parece un escalofriante caso atípico es en

Revolting Prostitutes Molly Smith, Juno Mac, 2018-11-06 How the law harms sex workers and what they want instead Do you have to endorse prostitution in order to support sex worker rights Should clients be criminalized and can the police deliver justice In *Revolting Prostitutes* sex workers Juno Mac and Molly Smith bring a fresh perspective to questions that have long been contentious Speaking from a growing global sex worker rights movement and situating their argument firmly within wider questions of migration work feminism and resistance to white supremacy they make it clear that anyone committed to working towards justice and freedom should be in support of the sex worker rights movement **Poisoned**

Wells Nicholas Shaxson, 2025-06-25 Each week the oil and gas fields of sub Saharan Africa produce well over a billion dollars worth of oil an amount that far exceeds development aid to the entire African continent Yet the rising tide of oil money is not promoting stability and development but is instead causing violence poverty and stagnation It is also generating vast corruption that reaches deep into American and European economies In *Poisoned Wells* Nicholas Shaxson exposes the root causes of this paradox of poverty from plenty and explores the mechanisms by which oil causes grave instabilities and corruption around the globe Shaxson is the only journalist who has had access to the key players in African oil and is willing to make the connections between the problems of the developing world and the involvement of leading global corporations and governments

Women, visibility and morality in Kenyan popular media Dina Ligaga, 2020-02-03 Women visibility and morality in Kenyan popular media explores familiar constructions of femininity to assess ways in which it circulates in discourse both stereotypically and otherwise It assesses the meanings of such discourses and their articulations in various public platforms in Kenya The book draws together theoretical questions on pre convened scripts that contain or condition how women can circulate in public The book asks questions about particular interpretations of womens bodies that are considered transgressive or unruly and why these bodies become significant symbolic sites for the generation of knowledge on morality and sexuality The book also poses questions about genre and representations of femininity The assertion made is that for knowledges of femininity to circulate effectively they must be melodramatic spectacular and scandalous Ultimately the book asks how such a theorisation of popular modes of representation enable a better understanding of the connections between gender sexuality and violence in Kenya The Decade in Tory Russell Jones, 2022-10-27 In 2020 the United

Kingdom reached a bewildering milestone ten successive years of Conservative rule In that decade there were three prime ministers each in turn described as the worst leader we ever had ministerial resignations by the hundred and an unrelenting stream of ineffectual divisive bum slurry oozing from 10 Downing Street The Decade in Tory is an inglorious rollicking and entirely true account of ten years of demonstrable lies relentless incompetence epic waste serial corruption official police investigations anti democratic practices abuse of power dereliction of duty and hundreds of thousands of avoidable deaths With his signature scathing wit Russell Jones breaks down the government s interminable failures year by year covering everything from David Cameron s pledge to tackle inequality which reduced UK life expectancy for the first time since 1841 through the bewildering storm of lies and betrayals that led to Brexit devastating education cuts serial mismanagement of the NHS and Boris Johnson s calamitous response to the Covid 19 pandemic It will leave you gasping and wondering can things possibly get any worse
