Be Still Mark A. Gass, Pastor Mark Gass, 2015-03-10 Finances Relationships Sickness Addictions Depression The storms of life can come upon us without warning The day was peaceful when Jesus stepped into the boat with his disciples But a storm soon whipped the waves into a deadly froth In the middle of the storm there stood Jesus Be still he commanded And it was calm In this deeply personal devotion book Pastor Mark Gass shares his 42 day journey at the bedside of his wife as she lay in a coma after surgery on a brain tumor E mails shared with his congregation and a network of supporters take readers inside the journey of a family holding on to Jesus reminder to Be still in all of life s troubles Accompanying devotions apply Jesus words from the cross to the storms of our lives Whatever the storms in your life these 45 daily devotions will remind you of the stillness that comes only through Jesus promises *RESET: Living in God's Emotional and Instinctual Balance* Dr. Susan Grove, 2024-08-19 Have you ever felt stuck Have you been praying but feel like you re not getting any traction Do you ever feel like you just need to start all over hit the reset button This book can walk you through the process of uncovering and discovering what is blocking you from living a life filled with the fruits of the Spirit With a simple chart of nineteen instincts and emotions that can get out of balance it s possible to identify key areas to recalibrate in order to claim the joy that Christ gifted us with The middle column of the chart illustrates a balanced joyful and fruitful life while the rest of the chart looks at the signs along the way that indicate we re out of balance There are key elements of our faith that can help us to move toward this balance Getting to know our Savior better Donning the full armor that God provides us with to battle our very real enemy Looking with eyes wide open at the temptation we face today Centering our lives on Christ Demystifying and using prayer A closer look at these elements can help us reset leading us to a life free of the bondage of emotions and instincts that are out of control Sunshine in the Soul Mary Wilder Tileston, 1876 *Triumphant Love* J. Hans Kommers, 2020-11-17 This scientific historical biography explores the influences that shaped the spirituality of Amy Carmichael of Dohnavur J Hans Kommers investigates the historical background of Amy s childhood in Millisle and Belfast and provides new and more scholarly information than existing biographies He researched a variety of Keswick related literature in order to provide a fuller picture of Amy s connection with the Keswick Convention and their teaching The descriptions of the life of the millworkers in Belfast the happenings on the worldwide stage and Victorian missionary work and methods round out the picture to give the reader a greater understanding of Amy Carmichael These new facts are most enlightening Dr Jackuelin Woolcock MB BChir MRCP Lond Director Dohnavur Fellowship Corporation Shoreham by Sea UK and Doctor in Dohnavur India 1969 1987 *Triumphant Love* The Contextual Creative and Strategic Missionary Work of Amy Beatrice Carmichael in South India provides the most extensive biography thus far of Amy Carmichael 1867 1951 a major figure on the missionary landscape of the late 19th and the first half of the 20th century She is seen by some as the Protestant mother Teresa both women worked in India and devoted all of their time and energy to the poor The book is very

well researched The author states that the purpose of the extensive research he undertook was to get a closer and clearer picture of Amy Carmichael as the founder off the Dohnavur Fellowship Also he wanted to give a balanced account of her dealings with people and especially her life with God He does this It provides the most comprehensive picture of this remarkable woman It is the definitive source of reference J Hans Kammers s view of the life of Amy Carmichael is that of a fellow evangelical He explains that not only Amy but many missionaries of her time were inspired by the ideal that all people should have the opportunity to hear of Christ s salvation According to him her inspirational work is still relevant today Prof Dr Gijsbert van den Brink URC Professor for Theology and Science Faculty of Theology Free University Amsterdam the Netherlands

**The Path to God's Heart** Bernard Huber,2012-01-03 Bernard Huber was born in France in 1954 and is today pastor in the Reformed Church of Switzerland He has been deeply involved in development aid in India and with the Bartimaeus Project for many years He spends part of his time in India every year He discovered very soon that people in great material need are also in need of spiritual help So he introduced the Prayer of Stillness amongst Indian Christians many years ago and has been able to see incredible changes taking place in the lives of those who faithfully practise this form of prayer The Prayer of Stillness leads us to a place where we can rediscover our own hearts and learn to use our innate strength and energy in a more healthy way Many individuals in the vast ocean of mankind have feelings of insecurity and become aware of the fact that a person needs a retreat they can retire to whenever they feel the need We need to find our innermost selves and to rediscover God the Prayer of Stillness will help us along the path to the ultimate goal The time has come for the Christian world to realise that changing anything of any importance is going to demand a sacrifice and that we are the ones who will have to make that sacrifice

**The Silent God** M.C.A. Korpel,Johannes C. de Moor,2011-03-24 The silence of God is a recurring theme in modern reflection It is not only addressed in theology religious studies and philosophy but also in literary fiction film and theatre The authors show that the concept of a silent deity emerged in the ancient Near East including Greece What did the Ancients mean when they assumed that under circumstances their deities remained silent What reasons are discernable for silence between human beings and their gods For the first time the close interrelation between the divine and the human in the revelatory process is demonstrated here on the basis of a wealth of translated

ancient texts In an intriguing epilogue the authors explore the theological consequences of what they have found
