Expert D. G. Hessayon, 2009 Catering for both beginners and more experienced gardeners The Green Garden Expert gives reliable real world advice on how to go green in your garden **Gardens Through Time** Jane Owen, Diarmuid Gavin, 2004 Gardens Through Time traces the history of garden design through the story of Britain's Royal Horticultural Society from its inception in 1804 to the present day *The Bio Friendly Gardening Guide* D. G. Hessayon, 1990 A guide offering advice and practical tips on creating and sustaining a green garden This book explains organic methods and contains information on promoting safety to people and animals as well as on caring for the environment [The Handbook of Carbon Management](#) Petra Molthan-Hill, Fiona Winfield, Richard Howarth, Muhammad Mazhar, 2023-02-27 Winner of the 2024 Business Book Awards Change Sustainability category Winner of the Bronze Axiom Business Book Award 2024 in the Philanthropy Non Profit Sustainability category Every manager and every employee in every function can embed climate solutions and reduce greenhouse gas emissions This book written by experts in the field of sustainability in business shows you how The climate crisis is one of the greatest challenges we face today and it affects all aspects of business and society Consequently everyone needs to know the best high impact climate solutions that can be embedded into their organisational area In this book you will find ideas for your team your department and your organisation to make this a reality We provide you with implementation plans and inspiring case studies with practical and helpful tools that will help you to scale up climate solutions effectively and efficiently If you are an owner of a company or an executive in any organisation you will benefit from this step by step guide on how to set up your own greenhouse gas management plan how to set targets and how to reduce the greenhouse gas emissions of your whole organisation We explain key terms such as Net Zero Carbon Neutral carbon emissions equivalents and the three scopes In order to halve our emissions worldwide by 2030 to achieve Net Zero by 2050 individual actions on a large scale are required but also systemic changes We look at the bigger picture in this book and also how you could effect change This is the first book to offer an easy to implement approach to decarbonise organisations and transform societies and is appropriate for managers at any level This book can also be used in business schools to inspire future managers and business leaders Last but not least everyone can find ideas here that they can implement in their personal lives let's scale up together **Climate Change** Joseph J. Romm, 2018 Everyone needs to understand how climate change will directly affect their lives and the lives of their family in the years to come This is the first general audience book aimed at giving you and your family the knowledge you need to know to navigate your future **Television Studies and Research on Series** Denis Newiak, Dominik Maeder, Herbert Schwaab, 2024-07-17 Television series enjoy an unbroken popular as well as scholarly attention It is surprising however that in works on seriality in media and cultural studies approaches to television studies and television history still play a rather minor role Yet seriality should always be thought of in terms of television since the two have always been inextricably interwoven economically technically and aesthetically But what else constitutes the serial in television and how does it change its face in times of digitalization streaming and

interactivity Is it possible to think of a genuine serial theory of the televisual and what in turn can be learned from this for seriality beyond television The essays in this volume contribute to shedding new light on the serial as a core principle of television and to providing new impulses for a television theory of the serial on the basis of diverse examples from the current range of television series
