Pace, 1891 Flying Safety , 1998 Household Politics Don Herzog, 2013-04-16 DIVDIVEarly modern English canonical sources and sermons often urge the subordination of women In Household Politics Don Herzog argues that these sources were blather not that they were irrelevant but that plenty of people rolled their eyes at them Indeed many held that a man had to be an idiot or a buffoon to try to act on their hoary wisdom Households didn't bask serenely in naturalized or essentialized patriarchy Instead husbands

wives and servants struggled endlessly over authority Nor did some insidiously gendered public private distinction make the political subordination of women invisible Conflict Herzog argues doesn't corrode social order it's what social order usually consists in He uses the argument to impeach conservatives and their radical critics for sharing confused alternatives The social world Herzog brings vibrantly alive is much richer and much pricklier than many imagine div div **The Academy and Literature** ,1884 **American Education** ,1898
