Sheff,2025-03-25 An intimate and revelatory biography of Yoko Ono from the 1 New York Times bestselling author of Beautiful Boy John Lennon once described Yoko Ono as the world's most famous unknown artist Everybody knows her name but no one knows what she does She has only been important to history insofar as she impacted Lennon Throughout her life Yoko has been a caricature curiosity and often a villain an inscrutable seductress manipulating con artist and caterwauling fraud The Lennon Beatles saga is one of the greatest stories ever told but Yoko's part has been missing hidden in the Beatles formidable shadow further obscured by flagrant misogyny and racism This definitive biography of Yoko Ono's life will change that In this book Yoko Ono takes centerstage Yoko's life independent of Lennon was an amazing journey Yoko spans from her birth to wealthy parents in pre war Tokyo her harrowing experience as a child during the war her arrival in avant garde art scene in London Tokyo and New York City It delves into her groundbreaking art music feminism and activism We see how she coped under the most intense relentless and cynical microscope as she was falsely vilified for the most heinous cultural crime imaginable breaking up the greatest rock and roll band in history This book was nearly a half century in the making In 1980 David Sheff met Yoko and John when Sheff conducted an in depth interview with them just months before John's murder In the aftermath of the killing he and Yoko became close as she rebuilt her life survived threats and betrayals and went on to create groundbreaking art and music while campaigning for peace and other causes Drawing from his experiences and interviews with her her family closest friends collaborators and many others Sheff shows us Yoko's nine decades one of the most unlikely and remarkable lives ever lived Yoko is a harrowing moving propulsive and vastly entertaining biography of a woman whose story has never been accurately told The book not only rehabilitates Yoko Ono's reputation but elevates it to iconic status

The Author Training Manual Nina Amir,2014-02-18 If you want to write a book that's going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That's when you begin thinking about the first elements of the business plan that will make your project the best it can be The reality is that you don't want to spend time and energy writing a book that will never get read The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind Whether you're writing fiction or non fiction or intend to publish traditionally or self publish author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf Packed with step by step instructions idea evaluations sample business plans editor and agent commentaries and much more The Author Training Manual provides the information you need to transform from aspiring writer to career author
