**Lows, Highs and Balti Pies** Steve Mingle,2011-10-24 Lows Highs and Balti Pies comprises vivid colourful and highly individual recollections of City s most memorable games over the past 37 years One hundred matches are featured starting with a 5 2 drubbing of Sheffield United in 1967 and ending with the 4 1 triumph in the first derby at the cursed City of Manchester Stadium Not all of the games in between provided quite as much pleasure The book contains affectionate portraits of the City greats down the years together with forthright appraisals on the rich assortment of blundering buffoons which the club has seen fit to inflict upon its famously loyal supporters However even when describing

the club's darkest moments and the individuals responsible for them humour is never far away be it biting dry self deprecating or just plain daft This approach captures perfectly the essence of what it is to be a City fan The book also embraces diverse elements of popular culture over the period Musical reference points abound whilst the likes of Sid Waddell Curly Watts Ian Hislop Tony the Tiger and Cyanide Sid Cooper all somehow find themselves featuring in the story And how the hell did Albert Pierrepont get in there All long term followers of football causes will be well familiar with the emotional peaks and troughs described so strikingly in this book Most like the author will have experienced more troughs than peaks But it's the range of imaginative often scarcely credible ways in which City have brought both highs and lows into the lives of their fans which truly sets them apart It's a remarkable story vibrantly and entertainingly told [The Delicious History of the Holiday](#) Fred Inglis,2005-11-28 Fred Inglis traces the rise of the holiday from its early roots in the Grand Tour through the coming of Thomas Cook and his Blackpool packages to sex tourism and the hippie trail to Kathmandu
