Beautifully Broken Anna Kay Brown, 2018-06-14 This book is full of practical lessons that I have learned through my separation and divorce It is for the believer or nonbeliever It shows grace working through my humanity When I was a girl I wrote my story of the way my life was going to be I had everything planned down to the description of my prince My life would be the ultimate fairy tale I would have the perfect children and would be the perfect mom and wife And then I grew up I thought I had found forever but I was wrong My invisible children were perfect but my real ones were human I read hundreds of books and followed every rule However I realized I was not perfect and that life and God was not just about rules We can do everything right but that doesnt make us exempt from hard times God determines every outcome even when we dont understand them and we want to cry scream and stomp our feet in protest of the injustice we feel If we are willing God will guide our steps and He will protect our hearts He knows where we are in our story but it is our choice how it ends
