The Moment Douglas Kennedy, 2012 Thomas Nesbitt is a divorced American writer living a very private life in Maine Until one wintry morning his solitude is disrupted by the arrival of a package postmarked Berlin But what is more unsettling is the name accompanying the return address on the package Petra Dussmann For she is the woman with whom Thomas had an intense love affair twenty five years before in a divided Berlin where people lived fearfully under the shadows of the Cold War And so Thomas is forced to grapple with a past he has always kept hidden For Petra Dussman was a refugee from the police state of East Germany And her tragic secrets were to re write both their destinies *The Moment* Douglas Kennedy, 2011-05-03 A tragic love story set in Cold War Berlin **The Douglas Kennedy Collection #3** Douglas Kennedy, 2018-05-08 Three outstanding novels in one amazing ebook collection by internationally bestselling author Douglas Kennedy *The Moment* Divorced writer Thomas Nesbitt is still recovering from the end of a long marriage and living a private isolated life in Maine when out of the blue a box from Berlin arrives at his doorstep The return address shocks him Dussman the name of a woman with whom he had a consuming love affair twenty six years ago in the midst of the Cold War Now Thomas must grapple with his history with a woman who was not just a refugee from a police state but also someone who lived with an ongoing sorrow that gradually rewrote both their destinies A love story of great epic sweep and immense emotional power *The Moment* explores why and how we fall in love and the way we project on to others that which our hearts so desperately seek *Five Days* A transformative love affair envelopes insurance salesman Richard and married soon to be empty nester Laura at a weekend medical conference in Boston Laura discovers that the seemingly dull fiftysomething man is surprisingly complex and thoughtful someone who like herself is grappling with the same big questions about decisions made and the human capacity for self entrapment But can this potential much longed for happiness be married to their own difficult personal circumstances Can they upend their lives and embrace that most loaded of words change *The Blue Hour* Artist and university professor Paul suggests a month long trip with his wife to entrancing exotic Morocco But when Paul suddenly disappears Robin finds herself the prime suspect in the police inquiry As her understanding of the truth starts to unravel Robin lurches from the crumbling art deco of Casablanca to the daunting Sahara caught in an increasingly terrifying spiral from which there is no easy escape **The Douglas Kennedy Reader's Companion** Douglas Kennedy, 2013-03-26 A glorious sampling of eight amazing novels by the 1 internationally bestselling author Douglas Kennedy *Five Days* *The Moment* *Leaving the World* *The Woman in the Fifth* *Temptation* *State of the Union* *A Special Relationship* and *The Pursuit of Happiness* **The Douglas Kennedy Collection #2** Douglas Kennedy, 2013-03-26 Three outstanding novels in one amazing eBook by internationally bestselling author Douglas Kennedy *Temptation* Like all would be Hollywood screenwriters David Armitage wants to be rich and famous After eleven years of failure luck finally comes his way when one of his scripts is bought for television Suddenly a player in Tinsel Town he finds he s reinventing himself at great speed especially when it

comes to walking out on his wife and daughter for a young producer who worships only at the altar of ambition But David's upward mobility takes a strange turn when a billionaire film buff barges into his life proposing a curious collaboration The Woman in the Fifth Now a major motion picture starring Ethan Hawke and Kristen Scott Thomas Harry Ricks is a man who has lost everything A scandal at the small college where he used to teach has cost him his job his marriage and his relationship with his only child He flees to Paris in the bleak midwinter where a series of accidental encounters lands him in a grubby room in a grubby quarter and a job as a nightwatchman for a sinister operation And then romance enters his life Her name is Margit an elegant cultivated Hungarian emigre widowed and alone But Margit is guarded about her work her past and her life Before he knows it Harry finds himself waking up in a nightmare from which there is no easy escape Leaving the World Jane Howard is a professor in Boston in love with a brilliant erratic man and finding motherhood to her young daughter an unexpected delight But when a devastating turn of events tears her existence apart she has no choice but to flee all she knows Just when she has renounced life itself the disappearance of a young girl pulls her back from the edge and into an obsessive search for some sort of personal redemption Convinced that she knows more about the case than the police do she is forced to make a decision stay hidden or bring to light a shattering truth **The Douglas Kennedy Collection #1**

Douglas Kennedy, 2012-12-18 Three amazing novels in one fabulous ebook by 1 internationally bestselling author Douglas Kennedy The Pursuit of Happiness Manhattan Thanksgiving eve 1945 The war was over and Eric Smythe's party was in full swing All his clever Greenwich Village friends were there So too was his sister Sara an independent outspoken young woman starting to make her way in the big city And then in walked Jack Malone a U S Army journalist just back from a defeated Germany a man whose world view was vastly different than that of Eric and his friends This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences both for themselves and for those closest to them for decades afterwards Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era The Pursuit of Happiness is a great tragic love story a tale of divided loyalties decisive moral choices and the random workings of destiny A Special Relationship About an hour after I met Tony Hobbs he saved my life Thirty seven year old American journalist Sally Goodchild quite literally married her hero Both foreign correspondents both on assignment in Cairo they quickly fell in love and settled into domestic life in London From the outset Sally's relationship with both Tony and his hometown was an uneasy one she found both to be far more unfamiliar than imagined But her adjustment problems are soon overshadowed by a troubled pregnancy When she goes into premature labor there are doubts whether her child will survive unscathed And then out of nowhere Sally is hit by an appalling postpartum depression a descent into a temporary but very personal hell which even sees her articulating a homicidal thought against her baby However when she does manage to extricate herself from this desperate state she finds herself in a fresh new nightmare as she discovers that the man she thought knew her better than anyone loved her more than anyone now

considers her an unfit mother and wants to bar her from ever seeing her child again State of the Union America in the 1960s was an era of radical upheaval of civil rights protests and anti war marches of sexual liberation and hallucinogenic drugs More tellingly it was a time when you weren't supposed to trust anyone over the age of thirty when if you were young you rebelled against your parents and their conservative values But not Hannah Buchan Hannah is a great disappointment to her famous radical father and painter mother Instead of mounting the barricades and embracing this age of profound social change she wants nothing more than to marry her doctor boyfriend and raise a family in a small town Hannah gets her wish But once installed as the doctor's wife in a nowhere corner of Maine boredom sets in until an unforeseen moment of personal rebellion changes everything For decades this one transgression in an otherwise faultless life remains buried But then in the charged atmosphere of America after 9 11 her secret comes out and her life goes into freefall **Five Days** Douglas Kennedy, 2013-04-30 Becoming jaded by her hospital lab work and feeling estranged from her distant husband Laura attends a conference in Boston and unexpectedly connects with a surprisingly complex man who is struggling to choose between his desires and obligations **I Wish I Could Hear My Name** Vineet K. Silaniya, 2019-12-04 Addiction Thanatophobia Culpability Obscurity and Cicatrices In five years Sharvil Vasudevan hasn't been able to find a way away from these five apprehensions of his life It is difficult to tell which is more complicated his blood toxicity or his mental wellness Shobhna his psychiatrist finds he had a break up and thinks it is the reason why he is putting himself in slow death But there is much more disguise in himself His introversion hampers the flow of initial session The whole scene changes when he hands over his journals to Shobhna It flips her perception about his case about him and raises a series of questions *The Woman in the Fifth* Douglas Kennedy, 2010-06-15 From the New York Times bestselling author of Leaving the World and The Moment comes the riveting story of a luckless college professor for whom Paris becomes a city of mortal danger A runaway bestseller in the UK and France that has been made into a film starring Ethan Hawke and Kristin Scott Thomas this suspenseful tour de force from the internationally renowned Douglas Kennedy is the quintessential sophisticated commercial novel Harry Ricks is a man who has lost everything A romantic mistake at the small American college where he used to teach has cost him his job his marriage and the love of his only child Hounded by scandal he flees to Paris where a series of accidental encounters lands him in a grubby room with a job as night watchman for a sinister operation Just when he begins to think he has hit rock bottom romance enters his life in the form of Margit a cultivated widowed Hungarian migr who shares Harry's profound loneliness but who keeps her distance remaining guarded about her past As Harry wrestles with Margit's reticence he begins to notice that all those who have recently done him wrong are meeting unfortunate ends and it soon becomes apparent that he has stumbled into a nightmare from which there is no escape *The Woman in the Fifth* further establishes Douglas Kennedy as an author who always has his brilliant finger on the entertaining parts of human sorrow fury and narrow escapes Lorrie Moore *The Christmas Ring* Douglas Kennedy, 2011-12-20 My ex husband had his extravagant moments So begins a

the source text in order to create an allegory of the target culture **The Homecoming Horse** Jackie Merchant,2022-04-01

The critically acclaimed bestseller from the author of *The Moment* and *A Special Relationship* New York 1945 Sara Smythe a young beautiful and intelligent woman ready to make her own way in the big city attends her brother's Thanksgiving Eve party As the party gets into full swing in walks Jack Malone a US Army journalist back from a defeated Germany and a man unlike any Sara has ever met before one who is destined to change Sara's future forever But finding love isn't the same as finding happiness as Sara and Jack soon find out In post war America chance meetings aren't always as they seem and people's choices can often have profound repercussions Sara and Jack find they are subject to forces beyond their control and that their destinies are formed by more than just circumstance In this world of intrigue and emotional conflict Sara must fight to survive against Jack as much as for him In this mesmerising tale of longing and betrayal *The Pursuit of Happiness* is a great tragic love story a tale of divided loyalties decisive moral choices and the random workings of destiny **The Art of Life** Zygmunt Bauman,2013-05-20

In our individualized society we are all artists of life whether we know it or not will it or not and like it or not by decree of society if not by our own choice In this society we are all expected rightly or wrongly to give our lives purpose and form by using our own skills and resources even if we lack the tools and materials with which artists studios need to be equipped for the artist's work to be conceived and executed And we are praised or censured for the results for what we have managed or failed to accomplish and for what we have achieved and lost In our liquid modern

society we are also taught to believe that the purpose of the art of life should be and can be happiness though it is not clear what happiness is the images of a happy state keep changing and the state of happiness remains most of the time something yet to be reached This new book by Zygmunt Bauman one of the most original and influential social thinkers writing today is not a book of designs for the art of life nor a how to book the construction of a design for life and the way it is pursued is and cannot but be an individual responsibility and individual accomplishment It is instead a brilliant account of conditions under which our designs for life are chosen of the constraints that might be imposed on their choice and of the interplay of design accident and character that shape their implementation Last but not least it is a study of the ways in which our society the liquid modern individualized society of consumers influences but does not determine the way we construct and narrate our life trajectories
