Melancholia and Maturation Eric L. Tribunella,2010-01-15 Coming of age in children s fiction often means achieving maturity through the experience of trauma In classics ranging from Old Yeller to The Outsiders a narrative of psychological pain defies expectations of childhood as a time of innocence and play In this provocative new book Eric L. Tribunella explores why trauma especially the loss of a loved object occurs in some of the most popular and critically acclaimed twentieth century American fiction for children Tribunella draws on queer theory and feminist revisions of Freud s notion of melancholia which is described as a fundamental response to loss arguing that the low grade symptoms of melancholia are in fact what characterize the mature sober and responsible American adult Melancholia and Maturation looks at how this effect is achieved in a society that purports to protect youngsters from every possible

source of danger thus requiring melancholia to be induced artificially Each of the book's five chapters focuses on a different kind of lost object sacrificed so as to propel the child toward a distinctively gendered sexual ethical and national adulthood from same sex friends to the companionship of boy and his dog stories from the lost ideals of historical fiction about the American Revolution to the children killed or traumatized in Holocaust novels The author examines a wide spectrum of works including Jack London's dog tales the contemporary realistic novels of S E Hinton and Newbery Medal winners like Johnny Tremain and Bridge to Terabithia Tribunella raises fundamental questions about the value of children's literature as a whole and provides context for understanding why certain books become required reading for youth Eric L Tribunella is assistant professor of English at the University of Southern Mississippi His articles have been published in Children's Literature Association Quarterly Children's Literature in Education The Lion and the Unicorn A Critical Journal of Children's Literature and Children's Literature
