Lillian Robinson, 2023-08-11 First published in 1986 Sex Class and Culture is a collection of Marxist feminist essays that develops an original critical theory and applies it to literature the visual arts and mass media Lillian Robinson was the first American critic to suggest the essential connections among sex class and race as forces that shape works of art and the critical response to them In applying her theory to particular texts she considers topics from the Renaissance epic to the Regency romance from Jane Austen to contemporary feminist poets and from factory workers memoirs to TV images of career women and housewives The essays are insightful because Robinson clearly knows this wide assortment of texts cares about their significance and writes about them with wit They are irreverent because she asserts the feminist critic's permanent responsibility to ask So What and they are controversial because she constantly addresses that question to our most powerful and respectable institutions social and literary This book will be of interest to students of literature history gender studies and sexuality studies *Georgette Heyer* Jennifer Kloester, 2011 Georgette Heyer's first novel The Black Moth was written when she was just nineteen in order to amuse her convalescent brother It was published in 1921 to instant success and in the ninety years since then her work has been read and beloved by millions of readers and extolled by today's bestselling authors from writers of contemporary classics through to romantic comedies **A Sinner without a Saint** Bliss Bennet, 2018-09-18 An honorable artist Benedict Pennington's greatest ambition is not to paint a masterpiece but to make the world's greatest art accessible to all by establishing England's first national art museum Success in persuading a reluctant philanthropist to donate his collection of Old Master paintings brings his dream tantalizingly close to reality Until Viscount Dulcie the object of Benedict's illicit adolescent desire begins to court the donor's granddaughter set on winning the paintings for himself A hedonistic viscount Sinclair Milne Lord Dulcie far prefers collecting innovative art and dallying with handsome men than burdening himself with a wife But when rivals imply Dulcie's refusal to pursue wealthy Miss Adler and her paintings is due to lingering tender feelings for Benedict Pennington Dulcie vows to prove them wrong Not only will he woo her away from the holier than thou painter he'll also placate his matchmaking father in the process Sinner and saint can both win at love But when Benedict is dragooned into painting his portrait Dulcie finds himself once again drawn to the intense artist Can the sinful viscount entice the wary painter into a casual liaison one that will put neither their reputations nor their feelings at risk Or will the not so saintly artist demand something far more vulnerable his heart *A Man without a Mistress* Bliss Bennet, 2015-12-15 A man determined to atone for the past For seven long years Sir Peregrine Sayre has tried

to assuage his guilt over the horrifying events of his twenty first birthday by immersing himself in political work and by avoiding all entanglements with the ladies of the ton But when his mentor sends him on a quest to track down purportedly penitent prostitutes the events of his less than innocent past threaten not only his own political career but the life of a vexatious viscount's daughter as well A woman who will risk anything for the future Raised to be a political wife but denied the opportunity by her father's untimely death Sibilla Pennington has little desire to wed as soon as her period of mourning is over Why should she have to marry just so her elder brothers might be free of her hoydenish ways and her blazingly angry grief To delay their plans Sibilla vows only to accept a betrothal with a man as politically astute as was her father and in retaliation for her brothers' amorous peccadillos only one who has never kept a mistress Surely there is no such man in all of London When Sibilla's attempt to free a reformed maidservant from the clutches of a former procurer throw her into the midst of Per's penitent search she finds herself inextricably drawn to the cool reserved baronet But as the search grows ever more dangerous Sibilla's penchant for risk taking cannot help but remind Per of the shames he's spent years trying to outrun Can Per continue to hide the guilt and ghosts of his past without endangering his chance at a passionate future with Sibilla
